FOREWORD

The Kentucky Constitution requires each house of the General Assembly to keep a journal as a public accounting of daily legislative activity. It is the official record of action by the General Assembly.

The *Kentucky Revised Statutes* require the Legislative Research Commission to compare, edit, correct, and publish the journals of each chamber. This is the *House Journal* for the Regular Session of 2002.

The texts of simple and concurrent resolutions appear on first reading or adoption. Appendices contain a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a subject index.

JoAnn Paulin, Rhonda Carter, and Shelly Purvis prepared the *House Journal* for the Regular Session of 2002. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

HR 14, A RESOLUTION condemning the September 11, 2001, terrorist attack on America, and supporting the President of the United States, the United States Congress, and the military forces of the United States of America.

WHEREAS, on Tuesday morning, September 11, 2001, Americans were shocked to witness an unprecedented attack on America on live television; and

WHEREAS, the attack was so horrible that persons around the world watched in disbelief as innocent Americans and persons from more than 60 nations were ruthlessly injured and killed by terrorists; and

WHEREAS, as the twin towers of the World Trade Center crumbled in the financial district of New York City, as the Pentagon burned in Washington D.C., and as an airliner crashed into a field in Pennsylvania after brave and patriotic passengers ended the misguided suicide mission of the terrorists on Flight 93, it was apparent that the attacks on American symbols of democracy were actually attacks on our way of life and the roots of our free society; and

WHEREAS, America's firefighters, police officers, emergency response persons, servicemen and servicewomen, and ordinary citizens who volunteered, without thinking of their personal safety, responded to the tragedy by working tirelessly in dangerous and trying circumstances to aid the injured and to recover the bodies of the deceased victims who were unsuspecting targets of the terrorist attack; and

WHEREAS, citizens of the Commonwealth share a common emptiness and sorrow with the friends and families of the more than 4,000 persons listed as dead, injured, or missing at the World Trade Center, the Pentagon, and on the four hijacked airliners; and

WHEREAS, America and all civilized countries face a new enemy of terrorist networks supported and financed by hypocrites who claim that their God approves of acts of violence and murder; and

WHEREAS, the events of September 11 have been followed by the spread of anthrax through the United States Postal Service, causing the deaths of unsuspecting Americans; and

WHEREAS, Americans stand united in one spirit under one flag as they prepare to respond to these horrendous attacks on innocent and unarmed men, women, and children; and

WHEREAS, the citizens of the Commonwealth of Kentucky stand united in their commitment to the war against terrorism and are dedicated to do their part as they have so demonstrated during World War I, World War II, the Korean War, the Vietnam War, and the Persian Gulf War;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the House of Representatives of the General Assembly of the Commonwealth of Kentucky condemns the senseless acts of terrorism that occurred on American soil on Tuesday, September 11, 2001, as well as the exposure of anthrax to United States citizens.

Section 2. That the House of Representatives of the General Assembly of the Commonwealth of Kentucky wholeheartedly supports the response of President George W. Bush and the United States Congress to the assault on America and supports President Bush, the United States Congress, the United States military, the Office of Homeland Defense, the Federal Bureau of Investigation and the Center for Disease Control in their war on terrorism.

Section 3. That the Clerk of the Kentucky House of Representatives is directed to mail a copy of this Resolution to President George W. Bush, The White House, 1600 Pennsylvania Avenue NW, Washington, DC 20500; Senator Mitch McConnell, 361-A Russell Senate Office Building, Washington, DC 20510; Senator Jim Bunning, 316 Hart Senate Office Building, Washington, DC 20515; Representative Edward Whitfield, 236 Cannon House Office Building, Washington, DC 20515; Representative Ron Lewis, 2418 Rayburn House Office Building, Washington, DC 20515; Representative Anne Northup, 1004 Longworth House Office Building, Washington, DC 20515; Representative Ken R. With deepest respect and admiration, we pay homage and tribute to our friend and colleague, John Harper, and we pause in silent reverence for his soul.

WHEREAS, John Harper was born on May 3, 1930, a native of Park Ridge, Illinois, and longtime resident of Shepherdsville, Bullitt County, Kentucky, and he traversed these earthly bounds on June 15, 2001; and his funeral Mass was held on June 18, 2001, at St. Martin of Tours Catholic Church, with burial in Resthaven Memorial Park; and

WHEREAS, John Harper was the loving son of the late David and Frances Freeland Harper, and was also preceded in death by a son, I. W. Harper; he was the devoted husband of Mary Catherine Wigginton Harper; he was the adored father of two sons, Alex and David Harper, and the proud grandfather of two grandsons; and he was the loving brother of two sisters, Joanne Olen and Carol Nenoff; and

WHEREAS, John Harper was a public servant who served his constituents from the Forty-ninth Representative District with pride during five legislative terms, where because of his ability to lure voters across party lines in a heavily Democratic area of conservative Bullitt County, he was the first Republican ever elected to that House seat; and

WHEREAS, during John Harper's tenure as a member of the House of Representatives, ethics and integrity played a large part in his achievement as an outstanding legislator whose expertise, knowledge, and experience gained him recognition and respect from his peers while he tirelessly served as a member of the Committee on Cities; the Committee on Counties and Special Districts; the Committee on Economic Development and Tourism; the Task Force on Elections and Constitutional Amendments; the Committee on Health and Welfare; the Committee on Education; and the Committee on Transportation; and he also ably served as Bullitt County Judge/Executive, and was the Republican gubernatorial nominee during the 1987 campaign; and

WHEREAS, John Harper's genius was evidenced throughout his life, whether it was in the laboratory searching for practical solutions to everyday problems, or at the podium expressing his opinions and ideas for the betterment of society; he was self-taught, and considered by many as a true "Renaissance Man," with his expertise covering many areas; by profession, he was an engineer and inventor who successfully received twenty-five patents, and sold one of his creations, for transferring liquid fuel, to the National Aeronautics and Space Administration; and

WHEREAS, John Harper served his country with distinction in the United States Air Force during the Korean War; he was former president of the Sons of the American Revolution, Thruston Chapter; and he was a member of Bullitt Masonic Lodge 155, Louisville Scottish Rite, Zoneton Lions Club, Filson Club Historical Society, and Male High School Hall of Fame; and

WHEREAS, when this honorable body reflects upon the memory of John Harper, it is with fond recollection that we remember him not only for his many legislative accomplishments and for the friendships he made and sustained through the years, but also his understanding of and compassion for the common man, which he demonstrated daily; and

WHEREAS, the passing of John Harper has left a void that cannot be filled, and he is mourned across the length and breadth of the Commonwealth;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives does hereby express its profound sense of sorrow upon the passing of John Harper, our friend and colleague, and extends to his family and many friends its most heartfelt sympathy.

The Committee of the House, appointed to join with a like Committee of the Senate to wait upon the Governor and escort him to the House Chamber to address the Joint Session, appeared with the Governor.

Governor Paul E. Patton addressed the Joint Session of the General Assembly as follows:

President Williams, Speaker Richards, and members of the General Assembly, Justice Lambert and members of the Judiciary, Governor Henry and other members of the Executive, my fellow Kentuckians.

It's my privilege to once again appear before you and the people of Kentucky to report on the State of the Commonwealth; and I do so under different circumstances than in past years. Our country is at war and Kentucky finds itself in the midst of the largest call-up of our National Guard since World War II. We owe a great deal of thanks to the fine men and women of the Kentucky National Guard - people like Lexington Police Officer April Brown. Just over a month ago I greeted Captain Brown as she returned from seven months of service in Bosnia and she's now scheduled to supervise security at the Northern Kentucky-Greater Cincinnati airport. Thank you, Captain Brown. Not all of our heroes wear uniforms. We are, in fact, privileged to have with us tonight several family members whose spouses are currently supporting Operation Enduring Freedom: Mrs. Lisa Roark of London, whose husband, Staff Sergeant Terry Roark is in the process of deploying to Europe and Mrs. Libby Swak of Frankfort whose husband, Kentucky Air Guard Master Sgt. Rich Swak is already deployed as part of our nation's fight against terrorism. General Youngman, I salute you and the 7,500 Kentucky National Guard men and women you command; especially those 1,700 soldiers who have been called to active duty during Operation Enduring Freedom. General Youngman, would you and your guests please stand so we can show our appreciation!!!

We support you and our president as you bring justice to those aggressors who've attacked innocent victims in our homeland. As you toil in foreign lands to protect our way of life, we'll work here in Frankfort to improve our way of life.

While we remain ever thankful for their sacrifices, my purpose here tonight is to report to you the state of the

Commonwealth. And my report to you is that, while our nation responds to this despicable act of aggression, while our national and state economies are in recession, and while our state budget faces the largest shortfall of revenue in our history, on the whole and over time, the state of the Commonwealth is good.

While a century or more of neglect after the Civil War changed Kentucky from one of the most progressive states in the Union to one of the most underachieving, the courageous acts of our governors, the Court of Justice, and this legislature over the past several years has reversed that trend; have made Kentucky a state to be admired and emulated; have made Kentucky once more a leader.

It's a distinct honor for me to be the governor of a state which is referred to time after time in national forums as the state that's doing it right; in education, early childhood development, economic development, supporting our farmers, state use of technology, efficiency of highway construction and a dozen other areas; the Commonwealth has been singled out for doing a good job. In this session we have another opportunity to add to that legacy.

In a few days I'll be recommending to you a budget for the next two years. This budget will be in stark contrast to my last two proposals which, in my opinion, were among the most progressive budgets adopted by the Commonwealth of Kentucky in my lifetime. This new recommendation will attempt to maintain our current commitments to progress with fewer resources. My budget proposal will strike a balance between keeping our current commitments and maintaining the fiscal responsibility that I've advocated since the first day I assumed this office.

But for tonight, let's step back and focus on how far we've come; let's discuss the results of the courageous decisions you've made in concert with me and my predecessors; and look for additional ways that we can improve Kentucky.

As I review the things that are good about the state of the Commonwealth, I have to begin with education. Twelve years ago, the leaders of all three branches of state government made the most heroic commitment to the future of Kentucky that I ever expect to see in my lifetime; but in the end it was this legislature that made the final decision. To paraphrase Winston Churchill, it was your finest hour; and I could go on to say, "Never have so many Kentucky children owed so much to so few. On their behalf, I thank you!!!"

Not only did you design the most progressive restructuring of a state system of public education ever enacted in America; before or since; you enacted the changes in our tax code that were necessary to pay for it! You trusted the people of Kentucky to understand the need to invest in the intellectual development of our children, and they trusted your judgement.

I wasn't involved in that decision but I am proud of the fact that when KERA faced its hours of maximum peril, the 1995 Governor's race, and the 1996 session of the General Assembly, I was on KERA's side. I stood with most of you and said, "We will persevere." "We will not retreat." "We will stay the course!!!"

And we were right! By every measure, our students are now performing above the national average in math, science, and language arts. Let me repeat that statement. Kentucky students, based on several national evaluations, are performing above the national average!

In fact, Kentucky was one of only three states to show significant progress in reading in 1998; and Kentucky was one of only three states to show significant progress in science on the National Assessment of Educational Progress report that was released last year; and just this week Kentucky was one of only three states to receive an A in standards and accountability according to *Education Week*, the nation's most prestigious education publication! When you're in the top three, time after time after time, you're doing something right!!!

One of the "right" things we've done is dramatically increase funding for K-12 education 88.4 percent since KERA was passed; and because of your financial commitment in the '98 session, Kentucky now has the most technologically advanced classrooms in the nation! These high-tech classrooms have enabled us to have the nation's first, largest and best virtual high school. And all our students now have access to Kentucky's best in the nation virtual library. Think about it! Our children have more opportunities to learn to use the tool of the future, the computer, than the children of any other state! It makes chills run up my spine to realize that in the area that very well may determine the destiny of our nation, Kentucky is the leader!!!

Last November 5th, I accepted on your behalf the National Alliance of Business "State of the Year" award, an honor given by the nation's businesses to recognize extraordinary commitment to education. It was just recently announced that Kentucky is one of fifteen states to receive a grant from the Wallace Reader's Digest Foundation to focus on leadership for learning. And in the past 9 years Kentucky has had 35 teachers receive the coveted Milken Family Foundation National Educator Award!!!

Who would have ever thought that we could have come this far, this fast. The extraordinary vision, wisdom and courage of the 1990 Kentucky General Assembly was remarkable!!!

In the first week of his administration, I was invited to meet with President Bush to discuss his *Leave No Child Behind* education program which was signed into law by the president just two days ago. According to Kentucky Education Commissioner Gene Wilhoit, ninety percent of the President's plan looks very much like KERA. Kentucky has pioneered the way for the rest of the nation! I applaud the Kentucky legislature and the Kentucky Court of Justice for your service to the Commonwealth!

It was the responsibility of our administration to be not only the guardian of KERA but to also build upon that legacy. After all, in today's knowledge-based economy, secondary education is the foundation upon which an education suitable for a successful career is built.

While I was a bystander in the battle to enact KERA, I was a central participant in the battle to enact the Postsecondary Education Improvement Act of 1997. And once again, the nation praises Kentucky's leadership in postsecondary education.

The list of our successes in improving postsecondary education is long and impressive. Let me review for you just some of the improvements we can point to as a result of our work.

Our community and technical college system has increased its enrollment by almost 39 percent since 1997. The most successful publicly supported virtual university in the nation, the Kentucky Virtual University, has enrolled 5,500 students after only two years of operation. 31,650 students received over 21 million dollars in KEES scholarships last year and that number'll grow by 48 percent this year to about 47,000 students. Overall enrollment in public postsecondary education has increased over 15 percent since reform. Bucks for Brains has increased endowed chairs and professorships at our 2 research universities by over 200 percent and by 1,000 percent at our comprehensive universities!!! My friends, Kentucky's on a roll!!!

And in the 2000 session we continued our commitment to life-long learning with improvements to our adult education program and our efforts in early childhood development. As a result of our commitment to our adult learners, enrollment in adult education increased 23 percent last year and since 1997 GEDs earned have increased by 41 percent!!!

Our commitment to programs for our youngest citizens is driven by the fact that we now know that learning begins at birth and depends to a great extent on health. Because of our actions in the 2000 session, we can take pride in the fact that our youngest kids are getting their best start ever. Over 40,000 women have participated in our folic acid program; 24,000 newborns have had hearing screening; over 50,000 under-insured children have had vaccinations; 3,800 families have improved their parenting skills, Kentucky's infant mortality rate is at an all-time low and we're now serving virtually 100 percent of eligible pre-school children with educational services. And, quoting the *Lexington Herald-Leader*, "The Education Week report puts Kentucky at the forefront of early childhood education, both for its preschool program and for more recent initiatives to improve health programs and day care for young children!" These are the things that government is supposed to do! And we're doing them! And we're doing 'em right!!!

Kentucky's moving forward at every level of education and it's our joint efforts are making that possible. Let us recommit ourselves to education here tonight and let us vow to stay the course!!!

And of course, one of the objectives of a good educational system is to prepare our people to be successful in the world-class economy we're building right here in Kentucky. We're building those world-class companies by creating a business climate where Kentucky companies can provide our people with high quality jobs while making a profit in an increasingly competitive world economy.

And here again, Kentucky has been among the most successful states in the nation in growing our economy over the past decade. Site Selection Magazine ranked Kentucky second in new jobs created, fifth in new and expanded manufacturing facilities and tenth in capital investment. We're 12th in value added per worker, 9th in manufacturing growth, 15th in per capita income growth, 8th in growth of exports. We're now 3rd in the production of light motor vehicles, 3rd in the decline in poverty rates and we have 10 communities ranked in the 100 best small towns for corporate expansions.

Our New Economy Initiative has attracted attention nationwide and our tourism development efforts have been uniquely successful.

We have made progress and we're going to make more!!!!

And we have faithfully executed any government's first responsibility, protecting the lives and the property of its citizens.

We've made Kentucky safer, creating one of the nation's best Unified Criminal Justice Information Systems, improving the training and pay of our sheriffs and police officers and eliminating parole for violent offenders; we've established family courts, and new judgeships and we've invested more in new courthouses in the past six years than in the previous sixty years!

And in particular, we've made Kentucky's women and children safer, thanks in large measure to my wife, Kentucky's First Lady, Judi Patton; stand up, sweetheart.

She's been the inspiration for our administration to work with you to establish the unique VINE victims notification system which is being emulated nationwide, to enhance protective services, to expand spouse abuse centers and rape crisis centers and put victim advocates in prosecutors' offices; and create the nation's most extensive network of children's advocacy centers!!!

And Judi's been an advocate for women's health, helping us establish an office especially for improving women's health and she's brought the subject of breast cancer to the forefront as an important public issue that needs attention! Thank you, Judi Patton!!!

Our children are only twenty percent of our population but they are one hundred percent of our future. And as we discuss our children, I can report to you that we've now corrected all the deficiencies in our juvenile justice program which brought us under the control of the federal Department of Justice. We've transformed our worst in the nation juvenile justice system into the best in the nation; something you should all be proud of because together we've increased our expenditure to help our most troubled children by 162 percent!!!

We've successfully implemented our 2020 water quality initiative and through our children's health insurance program, over 50,000 children, previously uninsured, now have healthcare and our Kentucky Access Health Insurance program, enacted by the 2000 General Assembly, has made insurance available to people who didn't have it and returned competition to the healthcare insurance market!!!

We've improved our efforts to create a qualified professional state workforce by increasing average compensation by 28 percent, and raising the classification of nearly 8,000 employees who were working in jobs classified as much as five grades lower than they should have been. Even though we have more to do, these actions have brought our employment policy more inline with the private sector. And at last, many of our employees have an effective method, chosen by them, to communicate their desires about their terms and conditions of employment to their employer!!!

Our Cabinet for Families and Children has reduced welfare dependency by more than 50 percent and has also more than doubled its efforts in employment services, job retention programs and child care assistance. We're improving our farm economy, preserving our environment and restoring our inner cities. We're moving Kentucky forward and our people are prospering!!!

As difficult as our current fiscal challenges are, there are still many substantial issues that we can and should address in the next three months.

The first is unfinished business and at the top of that list is fairness for our coal miners who've contracted black lung. I've appeared before you before and admitted that the 1996 reform of our workers' compensation system went too far.

It was my expressed desire in '96 to reduce a $100 million black lung program to about $8 million, a reduction of over 90 percent. The fact is that we, for all practical purposes, eliminated black lung as a compensable disease even though it has not been eliminated from Kentucky coal mines.

Today as I speak to you, we have in the bank here in Frankfort almost $17 million which has been paid in by Kentucky coal companies for coal miners black lung benefits and less than 400,000 dollars has been paid out!!! Obviously the program hasn't worked the way we meant it to.

My proposal is not a return to the open-ended black lung program that operated before 1996. It's to train diseased coal miners for another occupation after they've contracted the disease but before they've become totally disabled. To take the position that a miner has to continue to work until he or she has become disabled and their life shortened before they can receive training for another occupation is ridiculous; and it's inhumane. My proposal does not affect any other employer and is easily affordable by the Kentucky coal industry. And above all it is the right thing to do! And now is the time to do it! I call on this legislature to act and to act now!!!

Another issue that demands action is the repeal of the laws that protect the large pharmaceutical companies at the expense of our most vulnerable citizens. Our Medicaid pharmacy program has grown 63 percent in 2 years! That's an increase of 220 million dollars more than we were paying two year ago. A big part of the reason is ours laws and regulations which keep us from finding ways to bring spending under control. I've fixed the regulations, and established a clinical committee to advise us on prior authorization of drugs. Now I need your help fixing the laws.

Even though we've increased funding for Medicaid by almost 47 percent since I've been in office, it's still inadequate to provide our needy neighbors with the basic healthcare we want for ourselves. Again, the time to stand up to the big drug companies and act on behalf of Kentucky's medically fragile is now! And I call on you to act!!! Now!!!

And surely we can successfully address the issue of telemarketing! Our telephone is one of our most valuable assets. It should be a resource not a nuisance. We should be the master of who uses it, not the slave to selfish interests! We can reduce these unwanted calls! Let us put aside partisan differences and let's get the job done, this session!!!

And above all, we must maintain faith with our family farmers. Two years ago, you made a commitment to Kentucky farmers to help them preserve their unique culture; a commitment unparalleled in the history of the United States. We've been diligent as we've administered House Bill 611; plowing unchartered terrain, learning as we went, listening to the input of thousands of farmers. We're investing 50 percent of the tobacco settlement funds in our family farms to improve the efficiency of current farm activities, to precipitate new agriculture activity that will increase farm income and to improve the quality of life in rural Kentucky. We urge you, no matter what the temptation, no matter how great the need in other areas, no matter how great the pressure from other deserving constituents, to stay the course, to maintain the commitment, to keep faith with our farmers. And if we do, we'll be able to look back ten years from now and say that we've helped preserve that unique rural culture of Kentucky which has been the mainstay of our values, the source of our work ethic, the strength of our people that has made Kentucky, Kentucky!!!

But our task is not to just act on unfinished business. It's to look for more ways that we can improve the quality of life and standard of living of our people. Even though our fiscal position makes it impossible to commit financial resources to new or expanded programs, there are still things we can do to move Kentucky forward in this session.

And one of those is to make sure our law enforcement officers can enforce the laws we enact. It's already the law in Kentucky that every passenger in a motor vehicle on Kentucky highways must wear a seatbelt. The only problem is that, except in certain circumstances, we won't let our police enforce the law. And that's wrong! This handcuffing of our police officers breeds contempt for our laws and those who enforce them. To allow people to violate the law in front of a police officer and then prohibit that officer from enforcing the law is unconscionable. Besides that, not being able to enforce the law costs the lives of 75 motorists on Kentucky's highways every year! Name me one other thing we can do this session that will save 75 lives a year and not cost the state treasury one dime in increased expense! Just this past new year's holiday weekend twelve people died on our highways. Ten of them weren't wearing seatbelts. This is another area where I have to admit that I was wrong in 1992 when I missed the opportunity to put our present law into effect two years earlier.

The time has now come to take the next step. I don't intend to be wrong this time and I hope you, too, will support this measure which may, in the years ahead, save the life of a neighbor or perhaps a family member or maybe even yourself. Again, it's simply the right thing to do!!!

Another positive step we can take is the refinement of our business recruitment tools that have made Kentucky such an outstanding place to grow a business. These programs, from the enterprise zone law enacted in 1982 to the tax increment financing program enacted in the 2001 session, have worked well, but they've been enacted one at a time, not in a coordinated fashion. The revisions we'll propose won't break any new ground as it relates to philosophy, but they will make our programs more efficient and more effective.

As we renew our commitment to our traditional industries, we must maintain our commitment to the new economy. Under the leadership of Dr. Bill Brundage, we're prepared to build on the foundation laid with House Bill 572 enacted in the 2000 session. We need your support of this effort.

And as we speak of improving the business climate in Kentucky and building a more just society, we cannot ignore the subject of tax reform. We stand ready to address, on a bi-partisan basis, comprehensive and revenue neutral tax reform. This is a subject that leaders ought to be able to agree on and do what's right for the long-term future of Kentucky!!!!

But perhaps our greatest opportunity for this session is to improve our already good environment. Kentucky's still a beautiful, healthy, and aesthetically pleasing place to live, work and raise a family. And that can become one of our biggest assets. Our challenge is to keep it that way, because today we're losing our rural landscape at an alarming rate, second fastest in the nation.

That's why it's important that we make the commitment to growing correctly in this session. Many of the recommendations of the Smart Growth Task Force are based on incentives to encourage quality growth instead of government mandates. Our dire fiscal position prevents us from providing the resources we need to do all we could do to preserve the Kentucky we know. But our fiscal situation won't be a permanent condition. When you return here in two years, I'm confident our economy will be strong and new revenue will be available and we can devote more resources to education, social services, and preserving our unique environment. We need to lay the foundation for quality growth now!!!

However, there are quality growth issues that aren't impacted by our General Fund crisis that we can address in this session. Among these is the regulation of the siting of new power plants and transmission lines, a subject we'll have a recommendation on very shortly.

Likewise, we'll propose the regulation of non-coal mining and oil and gas well drilling particularly in the vicinity of some of our most ecologically sensitive areas like Pine Mountain. Our administration has saved Black Mountain. We've made major progress in preserving Blanton Forest and we've preserved the unique environment of Pine Mountain Settlement School. The time has now come to address the entire Pine Mountain Range, Kentucky's most unique geological feature.

For those of you who aren't familiar with Pine Mountain, it's that massive upheaval in eastern Kentucky that runs almost parallel with the Virginia border and stretches from the Breaks Interstate Park in my native Pike County to Pine Mountain State Park in Bell County.

This mountain range extends about 120 miles along our southeastern border. It's truly majestic, with some of Kentucky's most breathtaking scenery; and the summit of Pine Mountain is home to some of our most unique and endangered flora.

The Pine Mountain Trail is that path along or near the summit of the mountain that was first established by our native Americans of pre-history and the animals they stalked, and used by our first settlers as they sought the easiest way to traverse this rough land on foot and horseback.

Today, a part of the trail is being restored and marked by citizen volunteers and is used by hikers and nature lovers from across the country. Some of those volunteers are here with us tonight with Secretary Bickford and I'd like to recognize them - Duane Mix and his wife, Pat; Dennis Crowley; Dee Roberts; and Kenneth Mullins. Their hard work and dedicated service has brought this asset to our attention and I look forward to working with them and others to make their dream come true. I applaud their efforts!!!

The time has now come for the state to become directly involved. I propose to establish a linear state park which encompasses the Pine Mountain Trail, a state park 120 miles long and 1,000 feet wide, traversing the summit of Pine Mountain from Elkhorn City to Pineville and connecting our already existing publicly owned areas, to preserve forever one of Kentucky's truly unique assets!!!

Tennessee has established a similar linear state park in the Smokies, the Cumberland Trail State Park, running 280 miles from Chattanooga to the Cumberland Gap. These two linear state parks, along with the Appalachian Trail, stretching from Georgia to New York, can form the nucleus of an eco-tourism industry of which we can all be proud.

I understand that many of the property owners will donate the property or at least an easement for this proposed park; and where the land won't be donated, I propose to purchase the land using existing resources like the Land and Water Conservation Fund, the TEA-21 Fund, the Kentucky Heritage Land Conservation Fund and in future budgets, state appropriations.

In the meantime, I propose to regulate gas and oil drilling, coal and non-coal mining, and timbering activities within this area so as to preserve this treasure that belongs to all Kentuckians!!!

And if we're going to be serious about our environment, we have to address the solid waste issue. I think Representative Stumbo has made a reasonable proposal to address this issue. Over the past year we've learned a lot more about the problem. We now estimate, based on a more detailed study of the state, that there are more than 10,500 illegal, unsightly, unhealthy open dumps in Kentucky. We know there are about 550 old municipal dumps which haven't been properly closed and which are polluting our streams and our ground water. We see everyday the litter that despoils our scenic highways and we know we need to encourage curbside pickup and recycling. Representative Stumbo straightforwardly recognizes that it'll cost money; and we the people of Kentucky will have to bear that cost. Seven dollars a year is a reasonable price to pay to clean up Kentucky. It'll be, in my opinion, one of the greatest bargains we'll ever get!!!

Yes, we have a serious fiscal challenge before us. But, as you can see, there's still much we can do during this session to move Kentucky forward.

Working together we can continue our commitment to excellence in education. We can improve the safety of our highways. We can improve a business climate that will bring us even more new jobs. We can remain committed to our family farms. We can preserve and maintain the natural beauty of our state. We can help grow quality communities; and we can make Kentucky cleaner!

Working together we can continue to build on the foundation that we and our predecessors have established as we pursue the goal of a standard of living and quality of life above the national average.

We're on a 20-year journey. We have to think long-term; because you don't stop 100 years of decline in just 1 year, or 6 years, or 12 years.

The real issue before us tonight is, will Kentucky, not just Paul Patton - but Kentucky, live up to the commitments we've made, and make the sacrifices that have to be made, to do what has to be done. That is the question.

We've been working together for 6 years and this session may very well be the most difficult challenge we've had in our common effort to move Kentucky forward. Let us not be found wanting.

I began this message by recognizing the Kentuckians who've been called to serve in our military forces. These courageous individuals are being asked to take up the mantel of leadership and fight to protect our way of life.

We must follow their example. We must also have courage and assume the mantel of leadership and protect the legacy that's been passed on to us.

We must put aside our differences and do what's right for all of Kentucky.

The challenges before us are immense. The opportunity to move Kentucky forward is in our hands. And we will be judged by what we make of this opportunity.

I look forward to these next three months as we work together to make Kentucky better.

Good night, God bless you, and God bless America!

The House of Representatives of the Commonwealth of Kentucky hereby offers its sincerest congratulations to the Commonwealth's newest National Board for Professional Teaching Standards Certified Teachers upon earning NBPTS Certification in the year 2001. The highest professional credential that an educator can obtain within the teaching profession, this prestigious accolade is the result of a year-long assessment process in which teachers first document their knowledge of the subject matter, then demonstrate their abilities to both manage and measure student progress after effectively conveying this knowledge to the students entrusted to their care. Inasmuch as these sixty-six esteemed Kentucky educators have exhibited a forthright commitment to acquiring the necessary skills to ably equip the youth of today with the academic tools to become the leaders of tomorrow, the members of this distinguished body are delighted to join Representative Jon E. Draud in applauding each and every one of them for the hard work and dedication each has applied toward the successful completion of this most worthy goal and in extending best wishes as they, collectively, continue to most capably shape the lives of the youth of this Commonwealth. Done in Frankfort, Kentucky, this fourteenth day of January, in the year two thousand and two.

The denial or suspension shall continue until the arrearage has been eliminated, payments on the child support arrearage are being made in accordance with a court or administrative order, or the person complies with the subpoena or warrant relating to paternity or child support. Before the license may be reinstated, proof of elimination of the child support arrearage or proof of compliance with the subpoena or warrant relating to paternity or child support proceedings as provided by 42 U.S.C. sec. 666(a)(16) from the court where the action is pending or the Cabinet for Families and Children shall be received by the Transportation Cabinet as prescribed by administrative regulations promulgated by the Cabinet for Families and Children and the Transportation Cabinet.

The hearing shall be automatically waived if not requested within twenty (20) days after the cabinet mails the notice. The hearing shall be scheduled as early as practical within twenty (20) days after receipt of the request at a time and place designated by the cabinet. An aggrieved party may appeal a decision rendered as a result of an informal hearing, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.

(5) The cabinet may suspend the operator's license of any resident upon receiving notice of the conviction of that person in another state of an offense there which***,*** if committed in this state***,*** would be grounds for the suspension or revocation of an operator's license. If a person so convicted is not the holder of a Kentucky operator's license, the cabinet shall deny ***the person***[~~him~~] a license ***until the person resolves the matter in the other state and complies with the provisions of this chapter***[~~for the same period as if he had possessed a license and the license had been suspended~~]. The cabinet may, upon receiving a record of the conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws, forward a notice of that person's conviction to the proper officer in the state of which the convicted person is a resident.

(3) Any person whose operator's license is denied, suspended, or revoked for cause shall apply for reinstatement at the termination of the period for which the license was denied, suspended, or revoked by submitting to the examination. The provisions of this subsection shall not apply to any person whose license was suspended for failure to meet the conditions described in KRS 186.411 when, within one (1) year of suspension, the driving privileges of such individuals are reinstated.

The Committee on Natural Resources and Environment reported **HB 243** and **HCR 13** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 243, AN ACT relating to property tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.820 is amended to read as follows:

(1) The cabinet shall value and assess unmined coal, oil, and gas reserves, and any other mineral or energy resources which are owned, leased, or otherwise controlled separately from the surface real property at no more than fair market value in place, considering all relevant circumstances. Unmined coal, oil, and gas reserves and other mineral or energy resources shall in all cases be valued and assessed by the Revenue Cabinet as a distinct interest in real property, separate and apart from the surface real estate ***except as provided in Section 2 of this Act***.

(2) Each owner or lessee of property assessed under subsection (1) of this section shall annually, between January 1 and April 15, file a return with the cabinet in a form as the cabinet may prescribe. Other individuals or corporations having knowledge of the property defined in subsection (1) of this section gained through contracting, extracting, or similar means may also be required by the cabinet to file a return.

(3) Any property subject to assessment by the cabinet under subsection (1) of this section which has not been listed for taxation, for any year in which it is taxable, by April 15 of that year shall be omitted property.

(4) After the valuation of unmined minerals or other energy sources has been finally fixed by the cabinet, the cabinet shall certify to the county clerk of each county the amount liable for county, city, or district taxation. The report shall be filed by the county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection.

(5) The notification, protest, and appeal of assessments under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 131.

(6) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(7) The collection of tax bills generated from the assessments made under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 134.

SECTION 2. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) If the requirements of subsection (2) of this section are met, the cabinet shall not assess unmined minerals and other energy resources as a distinct interest in real property, separate and apart from the surface real estate. The property valuation administrator shall assess the surface at its agricultural or horticultural value and any unmined minerals and other energy resources shall be considered as a value in excess of the agricultural or horticultural use as provided in KRS 132.450(2)(d).

(2) Unmined minerals and other energy resources within or beneath parcels of real estate classified as agricultural or horticultural, as defined in Section 3 of this Act, that are not being extracted shall be included as a part of the surface real estate and shall be subject to assessment by the property valuation administrator if the surface real estate and the unmined minerals or other energy resources are owned by the same taxpayer.

(3) Notwithstanding the provisions of this section to the contrary, any leasehold interest in unmined minerals and other energy resources shall be assessed by the cabinet as a distinct interest in real property separate and apart from the surface real property interest, against the owner of the leasehold interest.

Section 3. KRS 132.010 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Cabinet" means the Revenue Cabinet.

(2) "Taxpayer" means any person made liable by law to file a return or pay a tax.

(3) "Real property" includes all lands within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve (12) months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent ($0.001) per one hundred dollars ($100) of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference between:

(a) The total valuation of property subject to taxation by the county, city, school district, or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and

(b) The total valuation of property subject to taxation by the county, city, school district, or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

(a) Property annexed or incorporated by a municipal corporation, or any other taxing jurisdiction; however, this definition shall not apply to property acquired through the merger or consolidation of school districts, or the transfer of property from one (1) school district to another;

(b) Property, the ownership of which has been transferred from a tax-exempt entity to a nontax-exempt entity;

(c) The value of improvements to existing nonresidential property;

(d) The value of new residential improvements to property;

(e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator, the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided; and

(i) The value of improvements to real property previously under assessment moratorium.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements, of at least ten (10) contiguous acres in area used for the production of livestock, livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government. ***Agricultural land shall include only the surface real estate if the mineral or energy resource rights have been severed. Agricultural land shall include both the surface real estate and the mineral or energy resources if the mineral or energy resource rights have not been severed and if the value of the mineral or energy resources is less than the value of the surface for agricultural use. Agricultural land shall include only the surface real estate if the mineral or energy resource rights have not been severed and if the value of the mineral or energy resources is greater than the value of the surface for agricultural use. However, in no case shall agricultural land include leasehold interests in mineral and energy resources.***

(10) "Horticultural land" means any tract of land, including all income-producing improvements, of at least five (5) contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers, or ornamental plants.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, ***excluding the value of any unmined minerals and other energy resources if the conditions established by Section 2 of this Act are met, and*** excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops other than tobacco;

(f) Accessibility to all-weather roads and markets; and

(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(13) "Homestead" means real property maintained as the permanent residence of the owner with all land and improvements adjoining and contiguous thereto including, but not limited to, lawns, drives, flower or vegetable gardens, outbuildings, and all other land connected thereto.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

(16) "Mobile home" means a structure, transportable in one (1) or more sections, which when erected on site measures eight (8) body feet or more in width and thirty-two (32) body feet or more in length, and which is built on a permanent chassis and designed to be used as a dwelling, with or without a permanent foundation, when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained therein. It may be used as a place of residence, business, profession, or trade by the owner, lessee, or their assigns and may consist of one (1) or more units that can be attached or joined together to comprise an integral unit or condominium structure.

(17) "Recreational vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. The basic entities are: travel trailer, camping trailer, truck camper, and motor home.

(a) Travel trailer: A vehicular unit, mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use, and of such size or weight as not to require special highway movement permits when drawn by a motorized vehicle, and with a living area of less than two hundred twenty (220) square feet, excluding built-in equipment (such as wardrobes, closets, cabinets, kitchen units or fixtures) and bath and toilet rooms.

(b) Camping trailer: A vehicular portable unit mounted on wheels and constructed with collapsible partial side walls which fold for towing by another vehicle and unfold at the camp site to provide temporary living quarters for recreational, camping, or travel use.

(1) Kentucky educational excellence scholarship awards shall be based upon an established base scholarship amount and an eligible high school student's grade point average. The base scholarship amount for students attaining a grade point average of at least 2.5 for the 1998-1999 academic year shall be as follows:

GPA	Amount	GPA	Amount
2.50	$125.00	3.30	$325.00
2.60	$150.00	3.40	$350.00
2.70	$175.00	3.50	$375.00
2.75	$187.00	3.60	$400.00
2.80	$200.00	3.70	$425.00
2.90	$225.00	3.75	$437.00
3.00	$250.00	3.80	$450.00
3.10	$275.00	3.90	$475.00
3.20	$300.00	4.00	$500.00
3.25	$312.00		

The council shall review the base amount of the Kentucky educational excellence scholarship beginning with the 1999-2000 academic year and each academic year thereafter and may promulgate an administrative regulation to make adjustments after considering the availability of funds.

(2) (a) The authority shall commit to provide to each eligible high school student the base amount of the Kentucky educational excellence scholarship for each academic year of high school study in the Kentucky educational excellence scholarship curriculum that the high school student has attained at least a 2.5 grade point average. The award shall be based upon the eligible high school student's grade point average at the close of each academic year. An award attributable to a past academic year shall not be increased after the award has been earned by an eligible high school student, regardless of any subsequent increases made to the base amount of the Kentucky educational excellence scholarship through the promulgation of an administrative regulation by the council.

HB 148, AN ACT relating to Teachers' Retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.661 is amended to read as follows:

(1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided in this section. Application for disability benefits shall be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary, except that a member retiring for disability who is also eligible for service retirement may elect to have the benefit calculated on the service retirement formula and may choose any of the retirement options provided for service retirement.

(2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.

(3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.

(4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section. The service credit shall be valued at the same level as service earned by active members.

(5) Any member retired by reason of disability and remaining disabled at the expiration of the entitlement period shall have his disability benefits recalculated using the service retirement formula with service credit as set out in subsection (4) of this section. The retirement allowance shall be calculated as set forth in KRS 161.620, except that those persons less than sixty (60) years of age shall be considered as sixty (60) years of age.

(6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars ($500) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.

(7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be entitled to a minimum monthly allowance of five hundred dollars ($500) as their basic straight life annuity and their surviving spouse shall be eligible for survivor benefits as provided in KRS 161.520(1)(a) and (b).

(8) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or any member, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement.

(9) In order to qualify for retirement by reason of disability a member must suffer from a physical or mental condition presumed to be permanent in duration and of a nature as to render the member incapable of being gainfully employed in a covered position. The incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.

(10) A member retired by reason of disability shall be required to undergo ***annual***~~[periodic]~~ examinations at the discretion of

the board of trustees to determine whether the disability allowance shall be continued***, except that, on the recommendation of a medical review committee, examinations may be less frequent but not less than once every five (5) years***. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.

(11) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.

(12) No person who receives a disability allowance may be employed in a position that entails duties or qualification requirements similar to positions subject to participation in the retirement system either within or without the State of Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the allowance from the first date of this service. The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees. If the annual income from other employment plus the disability benefit exceed the sum of twenty-seven thousand dollars ($27,000) or the last earned compensation, whichever is the greater amount, the benefit shall be reduced to an amount which with earned income will not exceed the last earned compensation or twenty-seven thousand dollars ($27,000), whichever is the greater amount. In no case shall the benefit be reduced to less than seventy-five dollars ($75) per month, if the member has five (5) or more years of contributing service in the Teachers' Retirement System.

(13) The board of trustees shall designate medical review committees, each consisting of three (3) licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all statements, certifications, and examinations submitted in connection with disability applications. The disposition of each case shall be recommended by a medical review committee in writing to the board of trustees. Members of a medical review committee shall follow administrative regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The board of trustees may secure additional medical service and information as it deems necessary. The board of trustees shall promulgate administrative regulations that specify member appeal procedures.

(14) A disability may be presumed to be permanent if the condition creating the disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.

(15) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.

(16) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.

(17) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits.

   (c) "Somatic cell" means a diploid cell, having a complete set of chromosomes, obtained or derived from a living or deceased human body at any stage of development.

   (c) Ship or receive for any purpose an embryo produced by human cloning or any product derived from an embryo produced by human cloning.

(3) No person shall knowingly import for any purpose an embryo produced by human cloning, or any product derived from an embryo produced by human cloning.

(4) Nothing in this section restricts areas of scientific research not specifically prohibited by this section, including research in the use of nuclear transfer or other cloning techniques to produce molecules, DNA, cells other than human embryos, tissues, organs, plants, or animals other than humans.

(5) Any person who violates the provisions of this section for pecuniary gain shall be civilly liable in an amount not less than one million dollars ($1,000,000) and not greater than an amount equal to double the amount of gross gain, if that amount is greater than one million dollars ($1,000,000).

HB 142, AN ACT relating to the parole of prisoners.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.340 is amended to read as follows:

(1) The board may release on parole persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his admission to an adult state penal or correctional institution or county jail if he is a

sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. The information shall include his criminal record, his conduct, employment, and attitude in prison, and the reports of physical and mental examinations that have been made. The Department of Corrections shall furnish the circumstances of his offense and his previous social history to the institution and the board. The Department of Corrections shall prepare a report on any information it obtains. It shall be the duty of the Department of Corrections to supplement this report with any material the board may request and submit the report to the board.

(2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner and shall have him appear before it for interview and hearing. The board in its discretion may hold interviews and hearings for prisoners convicted of Class D felonies. The board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen.

(3) The board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.

(4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.

(5) In addition to or in conjunction with each hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B, or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than forty-five (45) nor more than ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff of every county and the chief of police of every city and county in which the prisoner committed any Class A, B, or C felony for which he is imprisoned, and all identified victims of the crimes or the next of kin of any victim who is deceased. Notice to the Commonwealth's attorney shall be by mail to his business office. Notices received by chiefs of police and sheriffs shall be posted in a conspicuous location where police employed by the department may see it. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the Parole Board. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail to the Commonwealth's attorney who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. ***Notice to the victim or the next of kin of subsequent considerations for parole after the initial consideration shall not be sent if the victim or the next of kin gives notice to the board that he or she no longer wants to receive such notices.*** The notice shall include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.

(6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. The board shall receive and consider all comments, shall make a record of them which it shall retain in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.

(7) Victims of Class D felonies may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.

(8) Any hearing provided for in subsections (5), (6), and (7) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of hearing for reasons of personal safety, in which event the hearing shall be closed. The time, date, and location of closed hearings shall not be disclosed to the public.

(9) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.

(10) The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his agents or employees to comply with any of the provisions of subsections (5), (6), and (8) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.

(11) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he has successfully completed the Sexual Offender Treatment Program.

(12) Any prisoner who is granted parole after completion of the Sexual Offender Treatment Program shall be required, as a condition of his parole, to participate in regular treatment in a mental health program approved or operated by the Department of Corrections.

(13) When an order for parole is issued, it shall recite the conditions thereof.

HB 279, AN ACT relating to death certificates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) ***(a)*** The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(b) In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

HCR 7, A CONCURRENT RESOLUTION urging the United States Congress, Department of Health and Human Services, and Food and Drug Administration to limit, ban or otherwise impose strict standards on direct-to-consumer advertising of drugs by pharmaceutical companies.

WHEREAS, the United States is the only English-speaking country that allows pharmaceutical companies to advertise their prescription drug products direct to consumers; and

WHEREAS, in 1997, the federal Food and Drug Administration (FDA) relaxed restrictions on the content of direct-to-consumer prescription drug advertising, withdrawing the prior requirement for a summary of side-effect and adverse reaction information and replacing it with a requirement for a statement about "major risks" but not "all" risks; and

WHEREAS, the shorter "major risk" statement made it more practicable for television and radio advertisements about prescription drugs; and

WHEREAS, pharmaceutical companies spent $1.8 billion on direct-to-consumer advertising in 2000, up from $220 million in 1996; and

WHEREAS, while health care spending generally is expected to increase by an average of 7.2% per year between 1998 and 2010, exceeding the 5.2% annual growth of 1993 to 1998, total prescription drug expenditures will increase by 15% per year as early as 2004; and

WHEREAS, numerous studies have linked the increased direct-to-consumer advertising to the exponential growth in prescription drug expenditures; and

WHEREAS, surveys suggest that 50% of the public believe that direct-to-consumer advertisements of prescription drugs must be submitted to the government for prior approval, 43% believe that only "completely safe" drugs may be advertised directly to consumers, 22% believe that advertising of drugs with serious side effects has been banned, and 21% believe that only "extremely effective" drugs may be advertised directly to consumers, and yet all of these beliefs are untrue; and

WHEREAS, consumers with these mistaken assumptions are placing pressure on their physicians to prescribe these drugs, causing some patients to: (1) become angry if physicians refuse to prescribe the drug, even if the drug is medically unnecessary or contraindicated; (2) become angry if the physicians urge low-fat diets, stress management, or allergen avoidance as lifestyle alternatives to pharmacological therapy; (3) question the physician's trust and the overall patient/physician relationship; and

WHEREAS, direct-to-consumer advertising is having a harmful effect on the role of physicians and on physician morale by accelerating an advance toward patient autonomy, supplanting beneficence as the guiding ethical principle of medical practice with acquiescence to the partially informed patients' insistence on a course of drug therapy treatment suggested in misleading or misdirected advertising; and

WHEREAS, a 1997 study of family physicians revealed that 80% believed that direct-to-consumer advertising was "not a good idea"; and

WHEREAS, the federal Food and Drug Administration (FDA) has begun a review of the policy that unleashed an explosive growth of prescription drug advertising;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The General Assembly of the Commonwealth of Kentucky urges the United States Congress and the Department of Health and Human Services to recognize the problems caused by direct-to-consumer advertising of prescription drugs by pharmaceutical companies.

Section 2. The Committee Substitute to **HCR 7** is as follows:

HCR 7, A CONCURRENT RESOLUTION urging the United States Congress, Department of Health and Human Services, and Food and Drug Administration to limit, ban or otherwise impose strict standards on direct-to-consumer advertising of drugs by pharmaceutical companies.

WHEREAS, the United States is the only English-speaking country that allows pharmaceutical companies to advertise their prescription drug products direct to consumers; and

WHEREAS, in 1997, the federal Food and Drug Administration (FDA) relaxed restrictions on the content of direct-to-consumer prescription drug advertising, withdrawing the prior requirement for a summary of side-effect and adverse reaction information and replacing it with a requirement for a statement about "major risks" but not "all" risks; and

WHEREAS, the shorter "major risk" statement made it more practicable for television and radio advertisements about prescription drugs; and

WHEREAS, pharmaceutical companies spent $1.8 billion on direct-to-consumer advertising in 2000, up from $220 million in 1996; and

WHEREAS, while health care spending generally is expected to increase by an average of 7.2% per year between 1998 and 2010, exceeding the 5.2% annual growth of 1993 to 1998, total prescription drug expenditures will increase by 15% per year as early as 2004; and

WHEREAS, numerous studies have linked the increased direct-to-consumer advertising to the exponential growth in prescription drug expenditures; and

WHEREAS, surveys suggest that 50% of the public believe that direct-to-consumer advertisements of prescription drugs must be submitted to the government for prior approval, 43% believe that only "completely safe" drugs may be advertised directly to consumers, 22% believe that advertising of drugs with serious side effects has been banned, and 21% believe that only "extremely effective" drugs may be advertised directly to consumers, and yet all of these beliefs are untrue; and

WHEREAS, consumers with these mistaken assumptions are placing pressure on their prescribers to prescribe these drugs, causing some patients to: (1) become angry if prescribers refuse to prescribe the drug, even if the drug is medically unnecessary or contraindicated; (2) become angry if the prescribers urge low-fat diets, stress management, or allergen avoidance as lifestyle alternatives to pharmacological therapy; and (3) question the prescriber's trust and the overall patient/prescriber relationship; and

WHEREAS, direct-to-consumer advertising is having a harmful effect on the role of prescribers and on prescriber morale by accelerating an advance toward patient autonomy, supplanting beneficence as the guiding ethical principle of medical practice with acquiescence to the partially informed patients' insistence on a course of drug therapy treatment suggested in misleading or misdirected advertising; and

WHEREAS, a 1997 study of family physicians revealed that 80% believed that direct-to-consumer advertising was "not a good idea"; and

WHEREAS, the federal Food and Drug Administration (FDA) has begun a review of the policy that unleashed an explosive growth of prescription drug advertising;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The General Assembly of the Commonwealth of Kentucky urges the United States Congress and the Department of Health and Human Services to recognize the problems caused by direct-to-consumer advertising of prescription drugs by pharmaceutical companies.

Section 2. The General Assembly urges Congress, the Department of Health and Human Services, and the Food and Drug Administration to study the effects of direct-to-consumer advertising of prescription drugs by pharmaceutical companies on the health care system, on the prescriber/patient relationship, on the quality of care received by patients, and on the increasing costs of prescription medications.

Section 3. The General Assembly urges the Food and Drug Administration to aggressively monitor and regulate direct-to-consumer advertising of prescription drugs by pharmaceutical companies, pending Congressional action to limit, ban, or place increased restrictions on such advertising.

Section 4. The General Assembly urges the United States Congress to limit or ban direct-to-consumer advertising of prescription drugs by pharmaceutical companies, or alternatively, to require that advertisements: (1) remind consumers that prescribers and pharmacists are the best sources of information about appropriate medical treatment and drug therapy; (2) explicitly state the success and failure rates of drugs and compare them with other common products and "no treatment"; (3) mention alternate treatments by name and class; and (4) refer consumers to independent sources of drug information.

Section 5. The Clerk of the House of Representatives is directed to transmit a copy of this Resolution to the Secretary of the United States Department of Health and Human Services, the Director of the Food and Drug Administration, and to each member of Kentucky's Congressional delegation.

Section 2. KRS 66.310 is amended to read as follows:

(1) No county may issue bonds which, together with all other net indebtedness of the county plus the principal amount of any outstanding self-supporting obligations, is in excess of one-half of one percent (0.5%) of the value of the taxable property therein, as determined by the next preceding certified assessment, without having first secured the written approval of the state local debt officer. Any other bonds to be issued by any county may be submitted for approval as hereinafter provided. When the fiscal court of any county has petitioned the state local debt officer under KRS 66.320 for assistance in

formulating a plan for reorganizing its debt structure, or has received the approval of any issue of county bonds voluntarily as provided in this section, all bonds thereafter issued by the county must be approved as provided in this section.

(2) Without the approval of the state local debt officer a county may not lease, as lessee, a building or public facility that has been or is to be financed at the county's request or on its behalf through the issuance of bonds by another public body or by a nonprofit corporation serving as an agency and instrumentality of the county for that purpose, unless the bonds, if issued by the county itself as its own general obligations, would be exempt under the provisions of subsection (1). If his approval is required, the state local debt officer shall hold a hearing for the purpose of considering the terms of the lease upon the same basis as is provided under ***subsections***[~~subsection~~] (3) ***and (4) of this section***, and interested parties shall have the same right of appeal as is therein provided. This subsection does not apply to leases entered into before July 1, 1964, nor to renewals thereafter of leases entered into before that date, nor to bonds referred to in this subsection if those bonds have been sold prior to that date, whether or not actually delivered to the purchaser or purchasers thereof before that date.

(3) The state local debt officer shall hold a hearing for the purpose of determining whether any issue of bonds submitted to him for approval should be approved or disapproved. ***The state local debt officer shall provide notice of the hearing to the county judge/executive of the county proposing to issue bonds at least fourteen (14) days prior to the date of the hearing, and the county judge/executive shall cause a copy of that notice to be published in accordance with KRS Chapter 424. Any person having a material interest in the issuance of the bonds shall have an opportunity to be heard and to present evidence at the hearing held by the state local debt officer. The state local debt officer shall make a record of the proceedings of the hearing and shall prepare a written decision approving or disapproving the issuance of the proposed bonds. The decision shall set forth the findings of fact upon which the state local debt officer bases his decision. On the day that the state local debt officer issues his decision, he shall mail a copy to the county judge/executive of the county proposing to issue the bonds and to any person who attended the hearing and requested to receive a copy of the decision.***

(4) The state local debt officer shall ***disapprove the issuance of the proposed bonds***[~~withhold his approval~~] if he ***finds that one (1) or more of the following conditions exist:***[~~believes~~]

(a) The financial condition and prospects of the county do not warrant a reasonable expectation that interest and principal maturities can be met when due without seriously restricting other expenditures of the county ***including the debt service on the other outstanding obligations of the county***;[~~ if, in his discretion, ~~]

(b) The issue of bonds will not serve the best interests of both the county issuing the bonds and a majority of its creditors; or[~~ if it appears that ~~]

(c) The bonds or the issuance thereof will be invalid.

(5) If the state local debt officer is petitioned by any county to approve the issuance of bonds to refund outstanding county bonds, and if the state local debt officer is unable to find that the bonds sought to be refunded were in their entirety validly issued, he shall nevertheless find that bonds may be issued validly for the purpose of refunding the bonds, in equivalent or lesser par principal amount, provided that the interest rate to be borne by the refunding bonds shall be sufficient to make possible their liquidation within their life at no greater average annual cost to the county than would be required to liquidate, within the same number of years, the portion of the outstanding indebtedness found to be valid at the interest rate borne by it before refunding.

[~~(4) The state local debt officer shall give at least two (2) weeks' notice of the hearing required by subsection (2) or (3) of this section to the county judge/executive of the county proposing to issue bonds, and the county judge/executive shall cause a copy of that notice to be published pursuant to KRS Chapter 424. Any party having a material interest shall have an opportunity to be heard and to present evidence. The state local debt officer shall make a record of the proceedings of the hearing and shall prepare a written decision approving or disapproving the issuance of the proposed bonds. Any interested party or taxpayer may within fifteen (15) days, exclusive of Sundays and holidays, appeal to the commission from the decision of the state local debt officer. The commission, upon the basis of the record prepared by the state local debt officer, and of any additional evidence which may be introduced, shall pass upon the decision of the state local debt officer.~~]

(6)[~~(5)~~] Within thirty (30) days[~~, exclusive of Sundays and holidays,~~] after ***the date of*** a decision by the ***state local debt officer approving a county's proposal to issue bonds***[~~commission~~], any interested party or taxpayer of the county, upon filing bond for costs, may appeal to the[~~ Franklin Circuit Court or, in the case only of bonds proposed to be issued for the purpose of funding floating indebtedness, to either the Franklin Circuit Court or to the~~] Circuit Court of the county proposing to issue ***the***[~~those~~] bonds. The commission, the fiscal court, the taxpayers of the county, and, in the case of funding or refunding bonds, the creditors whose claims or bonds are proposed to be funded or refunded, shall be made parties to the appeal. ***The state local debt officer shall not be named as a party to an appeal under this subsection, but shall be allowed to intervene in the appeal upon motion.*** Summons shall be served and class representatives designated as provided in the Rules of Civil Procedure. ***Within thirty (30) days of receipt of the notice of appeal, the state local debt officer shall certify and file a copy of the record of the proceedings and his decision with the Circuit Court***[~~ To facilitate adjudication, the state local debt officer shall, on payment of a~~

~~reasonable fee therefor to be fixed by the state local debt officer, supply a certified copy of the records to any party~~].

(7) A county proposing to issue bonds may appeal a decision of the state local debt officer disapproving the issuance of the bonds by filing a complaint with the Franklin Circuit Court within thirty (30) days after the date of the decision. The state local debt officer shall be named as a defendant in an appeal under this subsection. Summons shall be issued and served as provided in the Rules of Civil Procedure. With his answer, the state local debt officer shall certify and file a copy of the record of the proceedings and his decision.

(8) Appeals to the Circuit Court[~~The case~~] shall be advanced on the docket[~~ of the Circuit Court~~] and shall be heard and decided *in a summary manner upon the record certified by the state local debt officer. The*[~~as in the case of a declaratory judgment, except that all~~] findings of fact of the state local debt officer[~~ and of the commission~~] shall be final if supported by any substantial evidence; however, if only the question of the validity of the bonds proposed to be funded or refunded is in issue, additional evidence relating to the validity of the bonds may be presented.

(9)[~~(6)~~] An appeal may be taken from the Circuit Court to the Court of Appeals in the manner provided in the Rules of Civil Procedure.

(10)[~~(7)~~] If no appeal is taken from the approval of a bond issue by the state local debt officer or the commission as provided in this section, the decision as to the legality of the bonds shall be res adjudicata in any subsequent case or cases raising the question of their legality.

(11)[~~(8)~~] Record of the approval of bonds as provided in this section shall be made in the minutes of the next meeting of the fiscal court of the county issuing the bonds so approved, and copies of all decisions of the state local debt officer and of the commission shall be filed with the Secretary of State.

(12)[~~(9)~~] As used in this section, bonds means bonds and obligations.

Section 3. KRS 66.990 is amended to read as follows:

The Committee Amendment No. 1 Title to **HB 48** is as follows:

Amend the title to read as follows: "AN ACT relating to agencies dealing with public indebtedness."

HB 120, AN ACT relating to training of property valuation administrators.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.590 is amended to read as follows:

(1) The compensation of the property valuation administrator shall be based on the schedule contained in subsection (2) of this section as modified by subsection (3) of this section. The compensation of the property valuation administrator shall be calculated by the Revenue Cabinet annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.

(2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the cabinet shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure

for the population group is reached. If the county population as certified by the cabinet increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no affect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the Revenue Cabinet the total number of years, not to exceed four (4) years, that the person has previously served in the office. The cabinet shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section shall be increased by the amount of increase in the annual consumer price index as published by the United States Department of Commerce for the year ended December 31, 1999. This salary adjustment shall take effect on July 14, 2000, and shall not be retroactive to the preceding January 1.

(b) For each calendar year beginning after December 31, 2000, upon publication of the annual consumer price index by the United States Department of Commerce, the annual rate of salary for the property valuation administrator shall be determined by applying the increase in the consumer price index to the salary in effect for the previous year. This salary determination shall be retroactive to the preceding January 1.

(c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an ***annual incentive***[~~increase~~] of six hundred eighty-seven dollars and sixty-seven cents ($687.67) ***per calendar year*** for each forty (40) hour training unit successfully completed ***based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the secretary of the Kentucky Revenue Cabinet, to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year***. This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the Kentucky Revenue Cabinet. Each unit shall be available to property valuation administrators in each office based on continuing service in that office. ***The Kentucky Revenue Cabinet shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units***.

(4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.

(5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The Revenue Cabinet may make grade classification changes

corresponding to any approved for cabinet employees in comparable positions, so long as the changes do not violate the integrity of the classification system. Subject to availability of funds, the cabinet may extend cost-of-living increases approved for cabinet employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.

(6) Beginning with the 1990-1992 biennium, the Revenue Cabinet shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the Revenue Cabinet. However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for two (2) full-time deputies.

(7) Beginning with the 1990-1992 biennium each property valuation administrator shall submit by June 1 of each year for the following fiscal year to the Revenue Cabinet a budget request for his office which shall be based upon the number of employee positions allocated to his office under subsection (6) of this section and upon the county and city funds available to his office and show the amount to be expended for deputy and other authorized personnel including employer's share of FICA and state retirement, and other authorized expenses of the office. The Revenue Cabinet shall return to each property valuation administrator, no later than July 1, an approved budget for the fiscal year.

(8) Each property valuation administrator may appoint any persons approved by the Revenue Cabinet to assist him in the discharge of his duties. Each deputy shall be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. The salaries of deputies and other authorized personnel shall be fixed by the property valuation administrator in accordance with the grade classification system established by the Revenue Cabinet and shall be subject to the approval of the Revenue Cabinet. The Personnel Cabinet shall provide advice and technical assistance to the Revenue Cabinet in the revision and updating of the personnel classification system, which shall be equitable in all respects to the personnel classification systems maintained for other state employees. Any deputy property valuation administrator employed or promoted to a higher position may be examined by the Revenue Cabinet in accordance with standards of the Personnel Cabinet, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the Revenue Cabinet prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.

(9) Each county fiscal court shall annually appropriate and pay each fiscal year to the office of the property valuation administrator as its cost for use of the assessment, as required by KRS 132.280, an amount determined as follows:

Assessment Subject to County Tax of:		
At Least	But Less Than	Amount
----	$100,000,000	$0.005 for each $100 of the first $50,000,000 and $0.002 for each $100 over $50,000,000.
$100,000,000	150,000,000	$0.004 for each $100 of the first $100,000,000 and $0.002 for each $100 over $100,000,000.
150,000,000	300,000,000	$0.004 for each $100 of the first $150,000,000 and $0.003 for each $100 over $150,000,000.
300,000,000	----	$0.004 for each $100.

(10) The total sum to be paid by the fiscal court to any property valuation administrator's office under the provisions of subsection (9) of this section shall not exceed the limits set forth in the following table:

Assessed Value of Property Subject to County Tax of:		
At Least	But Less Than	Limit
----	$700,000,000	$25,000
$700,000,000	1,000,000,000	35,000
1,000,000,000	2,000,000,000	50,000

2,000,000,000	2,500,000,000	75,000
2,500,000,000	5,000,000,000	100,000
5,000,000,000	-----	175,000

This allowance shall be based on the assessment as of the previous January 1 and shall be used for deputy and other personnel allowance, supplies, maps and equipment, travel allowance for the property valuation administrator and his deputies and other authorized personnel, and other authorized expenses of the office.

(11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the Revenue Cabinet only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.

(12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. Four (4) equal payments shall be made on or before September 1, December 1, March 1, and June 1 respectively. Any unexpended county funds at the close of each fiscal year shall be retained by the property valuation administrator, except as provided in KRS 132.601(2). During county election years the property valuation administrator shall not expend in excess of forty percent (40%) of the allowances available to his office from county funds during the first five (5) months of the fiscal year in which the general election is held.

(13) The provisions of this section shall apply to urban-county governments. In an urban-county government, all the rights and obligations conferred on fiscal courts by the provisions of this section shall be exercised by the urban-county government.

(14) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government with an assessment subject to countywide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars ($125,000) for an urban-county government with an assessment subject to countywide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000), and two hundred thousand dollars ($200,000) for an urban-county government with an assessment subject to countywide tax in excess of five billion dollars ($5,000,000,000). For purposes of this subsection, the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

(15) Notwithstanding the provisions of subsection (9) of this section, the amount appropriated and paid by each county fiscal court to the office of the property valuation administrator for 1996 and subsequent years shall be equal to the amount paid to the office of the property valuation administrator for 1995, or the amount required by the provisions of subsections (9) and (10) of this section, whichever is greater.

HB 272, AN ACT relating to the merger of volunteer fire districts.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 75.020 is amended to read as follows:

(1) The territorial limits of an established fire protection district, or a volunteer fire department district, as established under KRS 75.010 to 75.080, may be enlarged or diminished in the following way: The trustees of the fire protection district or of the volunteer fire department district shall file a petition in the county clerk's office of the county in which that district and the territory to be annexed or stricken off, or the greater part thereof, is located, describing the territory to be annexed

or stricken and setting out the reasons therefor. Notice of the filing of such petition shall be given by publication as provided for in KRS Chapter 424. On the day fixed in the notice, the county judge/executive shall, if the proper notice has been given, and the publication made, and no written objection or remonstrance is interposed enter an order annexing or striking off the territory described in the petition. Fifty-one percent (51%) or more of the freeholders of the territory sought to be annexed or stricken off may, at any time before the date fixed in the notice, remonstrate in writing, filed in the clerk's office, to the action proposed. If such written remonstrance be filed said clerk shall promptly give notice to the trustees of the fire protection district, or of the volunteer fire department district, and the county judge/executive shall hear and determine the same. If upon such hearing, the county judge/executive finds from the evidence that a failure to annex or strike off such territory will materially retard the functioning of the fire protection district or the volunteer fire department district and materially affect adversely the owners and the inhabitants of the territory sought to be annexed or stricken off, he shall enter an order, granting the annexation or striking off the territory. In the latter event, no new petition to annex or strike off all or any part of the same territory shall be entertained for a period of two (2) years. Any aggrieved person may bring an action in Circuit Court to contest the decision of the county judge/executive.

(2) The property in any territory annexed to a fire protection district or to a volunteer fire department district shall not be liable to taxation for the purpose of paying any indebtedness incurred by the fire protection district or the volunteer fire department district prior to the date of the annexation of such territory, except such indebtedness as represents balance owing on purchase price of firefighting equipment. The property in any territory stricken off from a fire protection district or a volunteer fire department district by the incorporation of or annexation by a city of this Commonwealth shall not be relieved of liability of such taxes as may be necessary to pay its proportionate share of the indebtedness incurred while such territory was a part of that district. Territories stricken by action of the county judge/executive under the provisions of subsection (1) shall be relieved of liability for all indebtedness incurred by the fire protection district or the volunteer fire department district.

(3) Any city that maintains a "regular fire department," and has either by incorporation or annexation caused property to be stricken from a fire protection district or a volunteer fire department district, shall assume the liability of such taxes as may be necessary to pay the proportional share of the indebtedness incurred while such territory was a part of said district.

(4) The territorial limits of two (2) or more fire protection districts, or volunteer fire department districts, as established by KRS 75.010 to 75.080, may be merged into one (1) fire protection district or volunteer fire department district as follows:

(a) The trustees of each fire protection district or volunteer fire department district shall file a joint petition in the county clerk's office of the county in which all of the districts and the territory to be merged into one (1) district, or the greater part of the district, is located, describing the territory to be merged into the district and setting out the reasons for the merger;

(b) Notice of the filing of the petition shall be given by publication as provided in KRS Chapter 424 for public notices;

(c) On the day fixed in the notice, the county judge/executive shall, if proper notice by publication has been given, and no written objection or remonstrance has been made, enter an order merging the fire protection districts or volunteer fire department districts described in the petition;

(d) Fifty-one percent (51%) or more of the property owners of the territory sought to be merged into one (1) district may, at any time before the date fixed in the notice, remonstrate by written petition to the county clerk regarding their objection to the merger of the districts. If a petition is filed, the county clerk shall give prompt notice to the trustees of the fire protection districts or the volunteer fire protection districts and the county judge/executive;

(e) The county judge/executive shall schedule a hearing regarding the petition and shall give public notice as to the date, time, and place of the hearing. If after the hearing, the county judge/executive finds from the evidence that a failure to merge the territory will materially retard the functioning of the fire protection districts or volunteer fire department districts and materially affect adversely the owners and the inhabitants of the territory sought to be merged, he shall enter an order granting the merger of the districts into one (1) fire protection district or volunteer fire department district;

(f) If a merger of districts occurs, no new petition to merge or change the territorial boundaries of the newly-merged district shall be attempted for a period of two (2) years; and

(g) Any aggrieved person may bring an action in Circuit Court to contest the decision of the county judge/executive regarding the merger fire protection districts or volunteer fire department districts.

(5) The property in any fire protection district or volunteer fire department district which is merged with another fire protection district or volunteer fire department district shall not be liable to taxation for the purpose of paying any indebtedness incurred by the other fire protection district or volunteer fire department district prior to the date of the merger into one (1) fire protection district, except indebtedness which represents a balance owed on the purchase price of firefighting equipment from the other fire protection district or volunteer fire department district.

(6) If two (2) or more volunteer fire department districts merge under the provisions of this section after January 1, 2000, and each is qualified to receive the volunteer fire department aid under subsection (2) of Section 2 of this Act at the time of merger, then the volunteer fire department aid shall be disbursed according to the provisions of this section as long as the resulting district remains qualified to receive the volunteer fire department aid.

(7) If two (2) or more volunteer fire department districts merge:

- ***(a) The Commission on Fire Protection Personnel Standards and Education shall pay to the merged district, for the first year after the merger, the amount of volunteer fire department aid allotted in subsection (2) of Section 2 of this Act equal to the total number of shares that each department would have received previous to merger; and***
- ***(b) The Commission on Fire Protection Personnel Standards and Education shall pay to the merged district, for the second year after the merger, the amount of volunteer fire department aid allotted in subsection (2) of Section 2 of this Act equal to one (1) full share. In addition, the merged district shall receive an amount equal to fifty-six and one-fourth percent (56.25%) of the amount calculated in paragraph (a) of this subsection; and***
- ***(c) The Commission on Fire Protection Personnel Standards and Education shall pay to the merged district, for the third year after the merger, the amount of volunteer fire department aid allotted in subsection (2) of Section 2 of this Act equal to one (1) full share. In addition, the merged district shall receive an amount equal to thirty-seven and one-half percent (37.5%) of the amount calculated in paragraph (a) of this subsection; and***
- ***(d) The Commission on Fire Protection Personnel Standards and Education shall pay to the merged district, for the fourth year after the merger, the amount of volunteer fire department aid allotted in subsection (2) of Section 2 of this Act equal to one (1) full share. In addition, the merged district shall receive an amount equal to eighteen and three-quarters percent (18.75%) of the amount calculated in paragraph (a) of this subsection; and***
- ***(e) The Commission on Fire Protection Personnel Standards and Education shall pay to the merged district, for the fifth year after the merger and thereafter, the amount of volunteer fire department aid allotted in subsection (2) of Section 2 of this Act equal to one (1) full share.***

(8) The trustees of the volunteer fire district shall notify the Commission on Fire Protection Personnel Standards and Education, in writing, within thirty (30) days of the merger or splitting of a merged volunteer fire district created under the provisions of this chapter. Notification shall be made in the manner prescribed by the Commission on Fire Protection Personnel Standards and Education in administrative regulations promulgated in accordance with the provisions of KRS Chapter 13A.

(9) The Commission on Fire Protection Personnel Standards and Education shall calculate and disburse to each district merged after January 1, 2000, but before the effective date of this Act, any payments owed the district according to the schedule set out in this section. In order to receive the payment, the trustees of the volunteer fire district shall notify the commission in writing within sixty (60) days of the effective date of this Act that there has been a merger in their jurisdiction within that time. If sufficient funds do not exist to make all the payments at one (1) time owed under the provisions of this subsection, then the available amount shall be prorated evenly and proportionately and disbursed among those merged districts each disbursal cycle until the total amount has been paid to each of those districts. The commission shall not reduce any other payments under Section (2) of this Act to make the payments under this subsection.

(10) If the resulting merged district does not remain qualified to receive the volunteer fire department aid under subsection (2) of Section 2 of this Act, then the Commission on Fire Protection Personnel Standards and Education shall suspend all payments calculated under subsection (7)(a) of this section. The merged district shall have ninety (90) days to come into compliance with the requirements for qualification. If the merged district does so, then the commission shall resume payments as calculated under subsection (7)(a) of this section. If the merged district does not come into compliance within ninety (90) days of the loss of qualification, then the commission shall not resume payments as calculated under subsection (7)(a) of this section. Should the merged district come into compliance after ninety (90) days, it shall receive only one (1) share of the volunteer fire department aid under subsection (2) of Section 2 of this Act.

Section 2. KRS 95A.262 is amended to read as follows:

(1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Health Services, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky against hepatitis B. The program shall be funded from revenues allocated to the Firefighters Foundation Program fund pursuant to KRS 136.392 and 42.190. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred up to the amount allowed by the Cabinet for Human Resources for hepatitis B inoculations.

(2) Except as provided in subsection (3) of this section and KRS 61.316, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273. The commission shall allot eight thousand dollars ($8,000) annually to each qualifying department, and beginning on July 1, 2001, the commission shall allot eight thousand two hundred fifty dollars ($8,250) annually to each qualifying department. Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars

($500) of its allotment. ***If two (2) or more volunteer fire protection districts created under the provisions of KRS Chapter 75 merge under the provisions of Section 1 of this Act after January 1, 2000, then the allotment shall be in accordance with the provisions of Section 1 of this Act.*** The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. Fifty percent (50%) of the firefighters shall have completed at least one-half (1/2) of one hundred fifty (150) training hours toward certification within the first six (6) months of the first year of the department's application for certification, and there shall be a plan to complete the one hundred fifty (150) training hours within the second year. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. No allotment shall exceed the total value of the funds, equipment, lands, and buildings made available to the local fire units from any source whatever for the year in which the allotment is made. A portion of the funds provided for above may be used to purchase group or blanket health insurance and shall be used to purchase workers' compensation insurance, and the remaining funds shall be distributed as set forth in this section.

(3) There shall be allotted two hundred thousand dollars ($200,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund that shall be allocated each fiscal year of the biennium to the firefighters training center fund, which is hereby created and established, for the purposes of constructing new or upgrading existing training centers for firefighters. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars ($200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters' training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. (8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

(a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;

Section 8. KRS 95A.262 is amended to read as follows:

(1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Health Services, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky against hepatitis B. The program shall be funded from revenues allocated to the Firefighters Foundation Program fund pursuant to KRS 136.392 and 42.190. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred up to the amount allowed by the Cabinet for Human Resources for hepatitis B inoculations.

(2) Except as provided in subsection (3) of this section and KRS 61.316, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. No allotment shall exceed the total value of the funds, equipment, lands, and buildings made available to the local fire units from any source whatever for the year in which the allotment is made. A portion of the funds provided for above may be used to purchase group or blanket health insurance and shall be used to purchase workers' compensation insurance, and the remaining funds shall be distributed as set forth in this section.

Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters' training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. (8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

(g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

(11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.

(12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.

(13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.

(14) There shall be allotted each year of the 1992-93 biennium one million dollars ($1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars ($1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction.

Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

(2) Any voter who shall be absent from the county on election day, but who does not qualify to receive an absentee ballot by mail under the provisions of KRS 117.085, and all ***voters***~~[members of county boards of elections, precinct election officers, and pregnant women]~~ qualified to vote prior to the election under the provisions of KRS 117.085, shall vote at the main office of the county clerk or other place designated by the county board of elections, and approved by the State Board of Elections, prior to the day of election. The clerk may provide for such voting by the voting equipment in general use in the county either at the precinct, the equipment as may be used to tabulate absentee ballots, or any other voting equipment approved by the State Board of Elections for use in Kentucky, except as follows:

The county clerk, with the approval of the State Board of Elections, may establish locations other than his main office in which the voters may execute their ballots. Public notice of the locations shall be given pursuant to KRS Chapter 424 and similar notice by mail shall be given to the county chairmen of the two (2) political parties whose candidates polled the largest number of votes in the county at the last general election.

(5) The State Board of Elections shall promulgate administrative regulations to provide for casting ballots as provided in subsection (2) of this section.

(6) The clerk shall deposit all of the absentee ballots returned by mail in a locked ballot box immediately upon receipt without opening the outer envelope. The ballot box shall be locked with three (3) locks. The keys to the box shall be retained by the three (3) members of the central absentee ballot counting board, if one is appointed, or by the members of the board of elections, and the box shall remain locked until the ballots are counted. All voting equipment on which ballots are cast as permitted in subsection (2) of this section shall also remain locked and the keys shall be retained by the three (3) members of the central absentee ballot counting board, if one is appointed, or by the members of the board of elections, and the equipment shall remain locked until the ballots are counted.

(7) The clerk shall keep a list of all persons who return their absentee ballots by mail or cast their ballots in the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, and send a copy of that list to the state board after election day. The county clerk and the Secretary of State shall keep a record of the number of votes cast by absentee ballots returned by mail and on the voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, cast in any election as a part of the official returns of the election.

(8) The county board of elections shall report to the State Board of Elections within ten (10) days after any primary or general election as to the number of rejected absentee ballots and the reasons for rejected absentee ballots on a form prescribed by the State Board of Elections in administrative regulations promulgated under KRS Chapter 13A.

Section 4. KRS 117.087 is amended to read as follows:

(1) The challenge of an absentee ballot returned by mail shall be in writing and in the hands of the county clerk before 3:00 p.m. on election day.

(2) The county board of elections shall count the absentee ballots returned by mail and the votes cast on the voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. The board may appoint a central ballot counting board of not less than three (3) members, who shall be qualified voters and no more than two-thirds (2/3) of whom shall be members of the same political party, to count the ballots at the direction of the county board of elections.

(3) Beginning at 3:00 p.m. on election day, the board shall meet at the clerk's office to count the absentee ballots returned by mail and the ballots cast on the voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. The board shall open the boxes containing absentee ballots returned by mail and remove the envelopes one (1) at a time. are in proper order and have been signed by the voter. ***A person having power of attorney for the voter and who signs the detachable flap and outer envelope for the voter shall complete the voter assistance form required by KRS 117.255. The signatures of two (2) witnesses are required if the voter signs the form with the use of a mark instead of the voter's signature.*** All unsigned absentee ballots shall be rejected automatically. The chairman of the county board of elections shall compare the signatures on the outer envelope and the detachable flap with the signature of the voter that appears on the registration card. If the outer envelope and the detachable flap are found to be in order, the chairman shall read aloud the name of the voter. If the vote of the voter is not rejected on a challenge then made as provided in subsection (4) of this section, the chairman shall remove the detachable flap and place the inner envelope unopened in a ballot box which has been provided for the purpose.

(4) When the name of a voter who cast an absentee ballot by mail is read aloud by the chairman, the vote of the voter may be challenged by any board member or by the written challenge provided in subsection (1) of this section and the challenge may be determined and the vote accepted or rejected by the board as if the voter was present and voting in person; but if the outer envelope and the detachable flap are regular, and substantially comply with the provisions of this chapter, they shall be considered as showing that the voter is prima facie entitled to vote. If the vote of a voter is rejected pursuant to the challenge, the inner envelope shall not be opened, but returned to the outer envelope upon which the chairman shall write on the envelope the word "rejected".

(5) After the challenges have been made and all the blank inner envelopes have been placed in a ballot box, the box shall be thoroughly shaken to redistribute the absentee ballots in the box. The board shall open the ballot box, remove the absentee ballots from the inner envelopes, and count the ballots.

(6) The board shall unlock any voting equipment used to cast ballots in the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, as provided for in KRS 117.086 and a total of all ballots shall be made and recorded on the form provided by the State Board of Elections.

(2) The county executive committees of the two (2) political parties having representation on the State Board of Elections may, on or before March 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct; except that, in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a lesser number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one (1) authorized to submit the lists. The lists shall contain the full name, address, phone number, and Social Security number, if available, of each person listed. (5) If, after all reasonable efforts have been made, the county board of elections is unable to find two (2) qualified officers for each precinct who are affiliated with the two (2) political parties having representation on the State Board of Elections, the county board shall submit a list of emergency election officer appointments to the State Board of Elections. The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. An election officer shall not have changed his voter registration party affiliation for one (1) year prior to his appointment. An election officer may be removed, for cause, at any time up to five (5) days before an election. Vacancies shall be filled by the county board with alternate precinct election officers and the person appointed to fill the vacancy shall be of the same political party as the vacating officer, except for emergency appointments made as provided in subsection (5) of this section.

(10) If the county board of elections fails to appoint election officers, or if any officer is not present at the precinct at the time for commencing the election, or refuses to act, and if no alternate is available, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

(11) Each election officer shall be paid a minimum of sixty dollars ($60) per election day served, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering the election packets to the polls, the precinct election officers shall receive in addition the mileage reimbursement provided for state employees, for each mile necessarily traveled in the delivery of the packets to the polls, or a flat fee if the fee equals or exceeds that amount. For delivering election returns, the precinct election judges shall receive in addition the mileage reimbursement provided for state employees for each mile necessarily traveled from the place of voting to and from the place of delivery, or a flat fee if the fee equals or exceeds that amount. (3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is ***two dollars ($2)***~~[one dollar ($1)]~~ greater or less than the amount of the initial retirement payment. ***If the member or beneficiary chose an actuarial equivalent refund payment option, the amount of estimated retirement allowance shall be the official retirement allowance unless the new calculation produces an amount which is one hundred dollars ($100) greater or less than the amount of the initial retirement payment.***

Section 9. KRS 61.635 is amended to read as follows:

(1) Each member shall have the right to elect to have his retirement allowance payable under any one (1) of the options set forth in this section in lieu of the retirement allowance otherwise payable to him upon retirement under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, and KRS 78.520 to 78.852. retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1), and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;

2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);

3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;

4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691;

5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.

(6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095; and

(7) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. A delayed contribution payment shall be deposited to the member's contribution account and considered as accumulated contributions of the individual member. In determining payments under this subsection, the formula found in this subsection shall prevail over the one found in KRS 212.434;

(31) "Participating" means an employee is currently earning service credit in the system as provided in KRS 78.615; and

(32) "Month" means a calendar month.

Section 19. KRS 78.606 is amended to read as follows:

(1) Upon retirement, a noncertified employee shall have his service credit earned after July 1, 1998, recalculated in accordance with KRS 78.615 except that the employee shall receive service credit determined by dividing the actual number of contracted days worked by twenty (20) and rounding any remainder to the next whole month, provided that the number of hours worked during the period averages eighty (80) or more hours.

(2)[~~Each school board for whom the employee worked shall pay the cost of the additional months of service credited to the employee for school years reported by the school board. The cost shall be the member and employer contributions that would have been paid on the employee's average monthly salary for each school year plus interest at the actuarial rate. Payment shall be due at the retirement office within thirty (30) days of receipt of notice from the retirement system. If the school board does not make the payment within thirty (30) days, interest at the actuarial rate shall be added to the payment for each additional thirty (30) days after payment is due.~~

~~(3) An employee who takes a refund, in accordance with KRS 61.625, of contributions made as an employee of a school board shall not be entitled to additional months service credit under subsection (1) of this section for the period covered by the refund. If the employee repays the refund as provided by KRS 61.552(1), the employee may have his service recalculated under the provisions of subsection (1) of this section for the period covered by the refund if the member pays the cost of the additional months prior to his retirement. The cost shall be the same as for the employer. The payment shall be credited to the member's account.~~

~~(4)~~] The Kentucky Retirement Systems shall adjust the service credit for all affected members who earned service credit for the school years 1996-97 and 1997-98 by recomputing the members' service based on the rounding method provided in subsection (1) of this section.

Section 20. KRS 78.615 is amended to read as follows:

(1) Employee contributions shall be deducted each payroll period from the creditable compensation of each employee of an agency participating in the system while he is classified as regular full-time as defined in KRS 78.510 unless the person did not elect to become a member as provided by KRS 61.545(3) or by KRS 78.540(2). After August 1, 1982, employee contributions shall be picked up by the employer pursuant to KRS 78.610(4).

(a) For employees who are not employed by a school board, service credit shall be allowed for each month contributions are deducted or picked up during a fiscal or calendar year, if the employee receives creditable compensation for an average of one hundred (100) hours or more of work per month based on the actual hours worked in a calendar or fiscal year. If the average number of hours of work is less than one hundred (100) hours per month, the employee shall be allowed credit only for those months he receives creditable compensation for one hundred (100) hours of work.

(b) For noncertified employees of school boards, for service prior to July 1, 2000, service credit shall be allowed for each month contributions are deducted or picked up under the employee's employment contract during a school year determined by dividing the actual number of contracted ***calendar*** days worked by twenty (20) and rounded to the nearest whole month if the employee receives creditable compensation for an average of eighty (80) or more hours of work per month based on the employee's employment contract. The school board shall certify the number of ***calendar*** days worked, the rate of pay, and the hours in a work day for each employee monthly or annually. The employer shall file at the retirement office the final monthly report or the annual report for a fiscal year no later than twenty (20) days following the completion of the fiscal year. The retirement system shall impose a penalty on the employer of one thousand dollars ($1,000) if the information is not submitted by the date required with an additional two hundred and fifty dollars ($250) for each additional thirty (30) day period the information is reported late.

1. If the employee works fewer than the number of contracted ***calendar*** days, the employee shall receive service credit determined by dividing the actual number of contracted ***calendar*** days worked by twenty (20) and rounded to the nearest whole month, provided that the number of hours worked during the period averages eighty (80) or more hours.
2. If the employee works fewer than the number of contracted ***calendar*** days and the average number of hours worked is less than eighty (80) per month, then the employee shall receive service credit for each calendar month in which he worked eighty (80) or more hours.
3. The retirement system shall refund contributions and service credit for any period for which the employee is not given credit under this subsection.

(c) For noncertified employees of school boards, for service on and after July 1, 2000, at the close of each fiscal year, the retirement system shall add service credit to the account of each ***employee***[~~member~~] who made contributions to his or her account during the year. ***Employees***[~~Members~~] shall be entitled to a full year of service credit if their total paid ***calendar*** days were not less than one hundred eighty (180) ***calendar*** days for a regular school or fiscal year. In the event ***an employee***[~~a member~~] is paid for less than one hundred eighty (180) ***calendar*** days, the ***employee***[~~member~~] may purchase credit according to administrative regulations promulgated by the system. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. ***Employees***[~~Members~~] who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1. ***Employees***[~~Members~~] who are employed and paid for less than the number of ***calendar*** days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. This credit shall be based upon the number of ***calendar*** days employed and the number of ***calendar*** days in the ***employee's***[~~member's~~] annual employment agreement or normal employment year. Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the ***employee***[~~member~~] is employed during that year.

(d) Notwithstanding paragraph (c) of this subsection, a noncertified employee of a school board who retires between July 1, 2000, and August 1, 2001, may choose to have service earned between July 1, 2000, and August 1, 2001, credited as described in paragraph (b) of this subsection***, if the employee or retired member notifies the retirement system within one (1) year of his initial retirement. The decision once made shall be irrevocable***.

(2) Employee contributions shall not be deducted from the creditable compensation of any employee or picked up by the employer while he is seasonal, emergency, temporary, or part-time. No service credit shall be earned.

(3) Contributions shall not be made or picked up by the employer and no service credit shall be earned by a member while on leave except:

(a) A member on military leave shall be entitled to service credit in accordance with KRS 61.555; and

(b) A member on educational leave who meets the criteria established by the state Personnel Cabinet for approved educational leave, who is receiving seventy-five percent (75%) or more of full salary, shall receive service credit and shall pay member contributions in accordance with KRS 78.610, and his employer shall pay employer contributions or the contributions shall be picked up in accordance with KRS 61.565. If a tuition agreement is broken by the member, the member and employer contributions paid or picked up during the period of educational leave shall be refunded.

(4) The retirement office, upon detection, shall refund any erroneous employer and employee contributions made to the retirement system and any interest credited in accordance with KRS 78.640.

Section 21. KRS 78.616 is amended to read as follows:

(1) Any agency participating in the County Employees Retirement System which has formally adopted a sick-leave program that is universally administered to its employees may purchase service credit with the retirement system for up to six (6) months of unused sick leave for each retiring employee.

(2) Participation under this section shall be at the option of each participating employer. The election to participate shall be made by the governing authority of the participating employer and shall be certified in writing to the system on forms prescribed by the board. The certification shall provide for equal treatment of all employees participating under this section.

(3) (a) Upon the member's notification of retirement as prescribed in KRS 61.590, the employer shall certify the retiring employee's unused, accumulated sick-leave balance to the system. The member's sick-leave balance, expressed in days, shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. A maximum of six (6) months of the member's sick-leave balance, expressed in months, shall be added to his service credit for the purpose of determining his annual retirement allowance under KRS 78.510 to 78.852 and for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 78.510 to 78.852. Accumulated sick-leave in excess of six (6) months shall be added to the member's service credit if the member or employer pays to the retirement system the value of the additional service credit based on the formula adopted by the board.

(b) The employer may elect to pay fifty percent (50%) of the cost of the sick leave in excess of six (6) months on behalf of its employees. The employee shall pay the remaining fifty percent (50%). The payment by the employer shall not be deposited to the member's account. Service credit shall not be credited to the member's account until both the employer's and employee's payments are received by the retirement system.

(c) Once the employer elects to pay all or fifty percent (50%) of the cost on behalf of its employees, it shall continue to pay the same portion of the cost.

(4) The system shall compute the cost of the sick-leave credit of each retiring employee and bill each employer with whom the employee accrued sick leave accordingly. The employer shall remit payment within thirty (30) days from receipt of the bill.

(5) As an alternative to subsections (1), (3), (4), and (6) of this section, any agency participating in the County Employees Retirement System which has formally adopted a sick-leave program that is universally administered to its employees, or administered to a majority of eligible employees in accordance with subsection (6) of this section, shall, at the time of termination, ***or as provided in KRS 161.155 in the case of school boards,*** compensate the employee for unused sick-leave days the employee has accumulated which it is the uniform policy of the agency to allow. The rate of compensation for each unused sick-leave day shall be based on the daily salary rate calculated from the employee's current rate of pay. Payment for unused sick-leave days shall be incorporated into the employee's final compensation if the employee and employer make the regular employee and employer contributions, respectively, on the sick-leave payment. The number of sick-leave days for which the employee is compensated shall be divided by the average number of working days per month

in county service and rounded to the nearest number of whole months. This number of months shall be added to the employee's total service credit and to the number of months used to determine creditable compensation, pursuant to KRS 78.510, but no more than sixty (60) months shall be used to determine final compensation.

(6) Any city of the first class that has two (2) or more sick-leave programs for its employees may purchase service credit with the retirement system for up to six (6) months of unused sick leave for each retiring employee who participates in the sick-leave program administered to a majority of the eligible employees of the city. An employee participating in a sick-leave program administered to a minority of the eligible employees shall become eligible for the purchase of service credit under this subsection when the employee commences participating in the sick-leave program that is administered to a majority of the eligible employees of the city.

Section 22. KRS 78.625 is amended to read as follows:

(1) The agency reporting official of the county shall, by the tenth day of each month, forward to the system an amount equal to the aggregate amount of the employees' contributions deducted during the previous month in accordance with KRS 78.610 and the aggregate amount of the employer's contributions due for the previous month in accordance with KRS 61.565.

(2) The agency reporting official or some other person designated by the county shall forward a record of all contributions to the system on the forms the board prescribes.

(3) (a) If the agency reporting official fails to forward all contributions ***by the twentieth***~~[within twenty (20) days of the tenth]~~ day of the month following the period being reported, interest at the actuarial rate adopted by the board compounded annually on the delinquent contributions, but not less than one hundred dollars ($100), shall be added to the amount due the system.

(b) Delinquent contributions, with interest at the rate adopted by the board compounded annually, or penalties may be recovered by action in the Franklin Circuit Court against the county liable or may, at the request of the board, be deducted from any other moneys payable to the county by any department or agency of the state.

(4) If an agency is delinquent in the payment of contributions due in accordance with any of the provisions of KRS 78.510 to 78.852, refunds and retirement allowance payments to members of this agency may be suspended until the delinquent contributions have been made.

HB 294, AN ACT relating to sales and use tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage, use, or other consumption of which, this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(2) Gross receipts from sales of, and the storage, use, or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents ($0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit shall not be entitled to the exemption even though the purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the Revenue Cabinet;

(b) In making the determinations of eligibility, the cabinet shall exempt from taxation all gross receipts derived from sales:

1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission;

2. Classified as "residential" by a municipally-owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;

3. Classified as "residential" by the governing body of a municipally-owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill;

(10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the seller and the seller maintains a file of the proof;

(11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property at a plant facility and which will be for sale are not subject to the sales or use tax. The property shall be regarded as having been purchased for resale. "Plant facility" shall have the same meaning as defined in KRS 139.170(3). For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.

(a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:

1. Materials which enter into and become an ingredient or component part of the manufactured product.

(2) The physicians and institutions performing evaluations pursuant to this section shall render reports encompassing their findings and opinions in the form prescribed by the commissioner. relating to worker's compensation. ***Except as otherwise provided in Section 2 of this Act,*** the clinical findings and opinions of the designated evaluator shall be afforded presumptive weight by administrative law judges and the burden to overcome such findings and opinions shall fall on the opponent of that evidence. When administrative law judges reject the clinical findings and opinions of the designated evaluator, they shall specifically state in the order the reasons for rejecting that evidence.

(3) The commissioner or an administrative law judge may, upon the application of any party or upon his own motion, direct appointment by the commissioner, pursuant to subsection (1) of this section, of a medical evaluator to make any necessary medical examination of the employee. 2. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized

in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The commissioner shall periodically review the applicability of the spirometric test values contained in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

4. The procedure for determination of occupational disease claims shall be as follows:

   a. Immediately upon receipt of an application for resolution of claim, the commissioner shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.

   b. The commissioner shall assign the claim to an administrative law judge and***, except for coal workers' pneumoconiosis claims,*** shall promptly refer the employee to such physician or medical facility as the commissioner may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the commissioner for examination within two (2) years following any prior referral for examination for the same disease.

   c. ***Except for coal workers' pneumoconiosis claims,*** within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the commissioner and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial. ***In coal workers' pneumoconiosis claims, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the issuance by the commissioner of the notice of the consensus reading unless the consensus is that the miner has not developed coal workers' pneumoconiosis category 1/0 or greater.***

   d. Within forty-five (45) days of assignment of a coal workers' pneumoconiosis claim to an administrative law judge, the employer shall cause the employee to be examined by a physician of the employer's choice and shall provide to all other parties and file with the commissioner the x-ray interpretaion by a "B" reader. The examination of the employee shall not include spirometric testing, and no report of spirometric testing shall be submitted by the employer, unless a report of spirometry has been submitted by the employee in the application for resolution of a claim. The commissioner shall determine whether the x-ray interpretations filed by the parties are in consensus. If the readings are not in consensus, the commissioner shall forward both films, masking information identifying the facility where the x-ray was obtained and the referring physician, to another "B" reader selected randomly from a list maintained by the commissioner for another interpretation. That "B" reader and any subsequent "B" reader shall select the most diagnostic film in their judgment and report only the reading of that film. If consensus is reached after that interpretation, the commissioner shall forward copies of the report to all parties as well as notice of the consensus reading which shall be considered as evidence. If consensus is not reached, referral shall be made to another "B" reader in a second attempt to achieve consensus. If consensus is reached after that interpretation, the commissioner shall forward copies of the report to all parties as well as notice of the consensus reading which shall be considered as evidence. If consensus is not reached after that interpretation, the administrative law judge shall decide the claim on the evidence submitted.

   e. "Consensus" is reached between two (2) chest x-ray interpreters when their classifications meet one (1) of the following criteria: each finds either category A, B, or C complicated pneumoconiosis; or findings with regard to simple pneumoconiosis are both in the same major category; or findings are within one (1) minor category (ILO category twelve (12) point scale) of each other. The highest of the interpretations creating consensus shall be the consensus classification. The only exception to this criterion is a reading sequence of 0/1, 1/0, or 1/0, 0/1. When that type of sequence occurs, it shall not be considered agreement or consensus.

   (f)[~~(d.)~~] The administrative law judge shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.

   (g)[~~e.~~] Unless a voluntary settlement is reached by the parties, ***or the parties agree otherwise,*** the administrative law judge shall issue a written determination within ***sixty (60)***[~~ninety (90)~~] days following ***a hearing***[~~assignment of the claim~~]. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.

5. The procedure for appeal from a determination of an administrative law judge shall be as set forth in KRS

342.285[~~342.275~~].

(4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the commissioner within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the commissioner within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the commissioner within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.

(5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:

(a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and

(c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).

(6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.

(9) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.

(10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.

(11) (a) Income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.

(b) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.

(12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.

(13) For coal-related occupational pneumoconiosis claims, the consensus procedure shall apply to all claims which have not been assigned to an administrative law judge prior to the effective date of this Act. In all such proceedings, the consensus classification shall be presumed to be the correct classification unless overcome by clear and convincing evidence.

Section 3. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.

(b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	0.65
6 to 10%	0.85
11 to 15%	1.00
16 to 20%	1.00
21 to 25%	1.15
26 to 30%	1.35
31 to 35%	1.50
36% and above	1.70

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be multiplied by three (3) times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; or

2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.

3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a high school General Educational Development diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).

4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph

2. of this paragraph.

(d) For permanent partial disability, if an employee has a permanent disability rating of ***thirty-five percent (35%)***[~~fifty percent (50%)~~] or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than ***thirty-five percent (35%)***[~~fifty percent (50%)~~], the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding ***thirty-five percent (35%)***[~~fifty percent (50%)~~] arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.

(e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the commissioner provides by administrative regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.

(4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.

(5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.

(6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.

(7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer,

payment obligor, insurance carrier, or special fund as applicable.

Section 4. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:

(a) ***1.*** If an employee has a radiographic classification of category ***1/0***~~[1/1 or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by report of X-ray which conforms to the standards for X-rays contained in subsection (3) of KRS 342.316,]~~ and respiratory impairment resulting from exposure to coal-mine dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values~~[contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" of the American Medical Association]~~, ***or category 1/1 or 1/2 pneumoconiosis and spirometric test values of eighty percent (80%) or more,*** the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined by KRS 342.740 but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks.

2. These benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking ***the equivalent of twelve (12) or more credit***~~[twenty-four (24) or more instruction]~~ hours per week in a bona fide training or education program ***that if successfully completed will qualify the person completing the course for a trade, occupation, or profession and which program can be completed within the period benefits are payable under this subsection. The program must be*** approved under administrative regulations to be promulgated by the commissioner. ***These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent (33-1/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent (37-1/2%) of the state average weekly wage, payable bi-weekly for a period not to exceed two hundred eight (208) weeks.*** The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars ($5,000)~~[. The benefit shall not be paid for a period in which the employee ceases to participate in the program. In no event shall the benefit be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)]~~.

3. The period of~~[one hundred four (104)]~~ weeks during which this benefit is payable shall begin no later than the ***thirtieth***~~[one hundred eightieth]~~ day after the ***administrative law judge's*** order awarding the benefit becomes final ***except that an employee may elect to defer the beginning of such benefits up to the two hundred seventieth day following the thirtieth day the order becomes final***.

4. If an employee completes an approved program of training in less than ***the period of weeks for which this benefit is payable***~~[one hundred four (104) weeks]~~ and that employee has accepted a bona fide offer of employment at a location more than fifty (50) miles from the employee's usual residence in the field for which the employee has been trained, the employee shall be paid in a lump sum for relocation the lesser of the sum of three thousand dollars ($3,000) or the amount remaining in unpaid weekly training benefits as provided by this section.

5. An employee who has been granted retraining incentive benefits may request of the administrative law judge an exemption from the retraining requirement. The administrative law judge shall refer the employee, as provided in KRS 342.710, for evaluation as to the feasibility of, need for, and training necessary to enable the employee to obtain remunerative employment. Upon receipt of the report of evaluation, the administrative law judge may grant an exemption. For an employee who has an eighth grade education or less, an exemption shall be granted only upon a finding that the employee would not materially benefit from retraining. For an employee who has more than an eighth grade education, the exemption shall be granted only upon a finding that the employee has mental or physical limitations which prevent retraining for an occupation or trade. If such request for an exemption from the retraining requirement is granted, the benefits payable therefor shall be in the amount and duration provided under subsection (5) of this section.

6. A claim for retraining incentive benefits provided under this subsection may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal.

7. If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.

8. If an employee elects to defer payment of retraining incentive benefits for a period of retraining longer than two hundred seventy (270) days, benefits otherwise payable shall be reduced week for week for each

week retraining benefits are further deferred.

(b) If an employee has a radiographic classification of category 1/0 and respiratory impairment resulting from exposure to coal mine dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or category 1/1 or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.

(c)[~~(b)~~]If it is determined that an employee has a radiographic classification of category 1/1 or 1/2,[~~ based on the latest ILO International Classification of Radiographics~~] and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values[~~ contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association~~], or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, ***or category 3/2 or 3/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more,*** there shall be an irrebuttable presumption that the employee has ***a***[~~an occupational~~] disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage ***but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740*** multiplied by the disability rating of fifty percent (50%)[~~ but not to exceed seventy five percent (75%) of the state average weekly wage as determined by KRS 342.740~~]. The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks[~~, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)~~].

(d)[~~(c)~~]If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values[~~ contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association~~] or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee ***has a***[~~is~~] seventy-five percent (75%) ***disability rating***[~~disabled~~] resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage ***but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740*** multiplied by the disability rating of seventy-five percent (75%)[~~ but not to exceed seventy five percent (75%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740~~]. The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability[~~, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)~~].

(e)[~~(d)~~]If it is determined that an employee has radiographic classification of 3/2 or 3/3 occupational pneumoconiosis[~~ based on the latest ILO International Classification of Radiographs,~~] and respiratory impairment evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values[~~ contained in the latest edition of the "Guides to the Evaluation of Permanent Impairment" of the American Medical Association~~], or ***complicated pneumoconiosis (large opacities category A, B, or C, or*** progressive massive fibrosis***)***[~~, based on the latest ILO International Classification of Radiographics~~], there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust, and the employee shall be awarded income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability[~~, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)~~].

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.

(3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study.

(4) *If a miner has fifteen (15) years or more of employment in coal mines or processing facilities as shown by Social Security or other employment records and has developed coal workers' pneumoconiosis and respiratory impairment pursuant to the criteria established by this section it shall be rebuttably presumed that coal dust exposure was a significant contributing factor in the development of respiratory impairment.*

(5) A miner who is age fifty-five (55) or older on the date of last occupational exposure to coal dust or a miner who has been granted an exemption from retraining who is otherwise entitled to an award of retraining incentive benefits pursuant to subsection (1)(a) of this section may elect to be awarded in lieu thereof an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage multiplied by the disability rating of twenty-five percent (25%) as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.

(6) In no event shall income benefits awarded under this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability *and in no event shall income or retraining incentive benefits be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a).*

(7) The claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis between December 12, 1996, and the effective date of this Act shall nonetheless be governed by the provisions of this section and notwithstanding the provisions of KRS 342.125 all claims for benefits which were filed for last injurious occupational exposure to coal dust occurring between December 12, 1996, and the effective date of this Act shall be considered pursuant to the provisions of this section and administrative regulations promulgated by the commissioner, and closed claims, except claims dismissed for reasons other than failure to meet medical eligibility standards, may be reopened by the claimant. Income and retraining incentive benefits shall be awarded thereon as if the entitlement standards established by the amendments to this section were effective at the time of last exposure. Any benefits previously granted by an award or settlement shall be credited against any subsequent award or settlement and no interest shall be payable on additional benefits. A previous grant of retraining incentive benefits shall be credited only to the extent that the benefits were actually paid. All income and retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.

(8) The original claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis prior to December 12, 1996 which was subject to a university evaluation pursuant to Section 1 of this Act and was dismissed upon a finding that the miner did not prove the presence of coal workers' pneumoconiosis radiographically may be reopened by the claimant notwithstanding the provisions of KRS 342.125, pursuant to administrative regulations adopted by the commissioner. Income benefits may be awarded thereon pursuant to entitlement standards effective as of the date of last exposure, except the income and retraining benefits shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.

(9) Notwithstanding the provisions of KRS 342.316(4)(a), the coal workers' pneumoconiosis claim of any miner last exposed between December 12, 1996, and the effective date of this Act, may be filed with the commissioner on or before December 12, 2003, or within the time frame prescribed by KRS 342.316(4)(a), whichever is longer. All income and retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid by the Kentucky coal workers' pneumoconiosis fund without interest, the provisions of KRS 342.1242 notwithstanding.

(10) Administrative regulations promulgated by the commissioner pursuant to subsections (7) and (8) of this section shall provide that chest x-rays previously taken at university medical schools pursuant to Section 1 of this Act shall be obtained by the commissioner and forwarded to two (2) "B" readers for interpretation pursuant to subsection (3)(b)4.d. of Section 2 of this Act. The commissioner shall determine whether the interpretation of the two (2) physicians are in consensus, and when necessary shall obtain additional readings until consensus is reached. The claim shall be assigned to an administrative law judge for determination of whether the claim should be reopened and the award of additional benefits, if any.

SECTION 5. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall maintain a list of duly qualified "B" reader physicians who are licensed in the Commonwealth and have agreed to interpret chest x-rays pursuant to Section 2 of this Act for a fee to be fixed by the commissioner and paid by the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.

(2) Physicians from the "B" reader list shall be utilized as necessary to obtain consensus classifications of chest films in coal workers' pneumoconiosis claims. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.

(3) "'B' reader" means a physician who has demonstrated proficiency in evaluating chest roentgenograms for roentgenographic quality and in the use of the ILO classification for interpreting chest roentgenograms for pneumoconiosis and other diseases by taking and passing a specially designed proficiency examination given on behalf of the National Institute of Occupational Safety and Health (NIOSH) or by the Appalachian Laboratory for Occupational Safety and Health (ALOSH), or successors.

(4) Beginning July 1, 2003, and not less often than annually thereafter, the commissioner shall assess the performance of "B" readers who have reported interpretations of five (5) x-rays or more within a calendar year. If the commissioner finds that any "B" reader's interpretations as reported to the department are not in conformity with the consensus reading at least fifty percent (50%) of the time, that "B" reader's reports shall not be admissible in future claims for a period of one (1) year.

The Chief Doorkeeper announced the arrival of the Governor of the Commonwealth of Kentucky, The Honorable Paul E. Patton.

The Committee of the House, appointed to join with a like Committee of the Senate to wait upon the Governor and escort him to the House Chamber to address the Joint Session, appeared with the Governor.

Governor Paul E. Patton addressed the Joint Session of the General Assembly as follows:

President Williams, Speaker Richards, and members of the General Assembly, members of the Judiciary, Governor Henry and other members of the Executive, my fellow Kentuckians.

For the fourth and final time I appear before you to discuss the financial status of the Commonwealth and to outline our budget proposal for the next biennium. I ask you to use this proposal as the starting point from which you can begin to develop Kentucky's budget for the 2003 and 2004 fiscal years.

This proposal will be dramatically different from the three previous recommendations I've made to you. For the first time since at least 1981, the state will be required to enact a budget with less General Fund revenue in the next fiscal year than we're spending in the current fiscal year because our economy is the worst it's been in at least 20 years; the growth of personal income is down 57 percent from expectations, corporate income tax collection is down 20 percent from the estimate of two years ago and the unemployment rate is up 40 percent since last December!

This national recession is affecting more than just state revenue; it's impacting the lives of thousands of Kentuckians even more dramatically. We've lost over 20,000 good-paying manufacturing jobs in just the past two years!! Bob Jackson and Buddy Buckingham, you know the personal and community trauma caused by the 980 jobs that are being lost in Murray as Mattel closes. Richie Sanders and Rob Wilkey, you know the impact of Sumitomo's workforce reduction of 926 jobs in your part of the state; and Robert Stivers and Barbara Colter, the loss of the 110 jobs in Clay County caused by the closing of Columbia Forest Products is a major blow to your community.

The effect of this economic slowdown on our budget is a current-year revenue of $533 million, or 7.4 percent below our originally budgeted level of expenditure. How did we cope with this shortfall? We cut administrative expenses, we used some of our reserves, and we improved efficiency; we didn't slash and burn.

Most of our cuts to the original appropriations for this current fiscal year have been absorbed within our cabinets. I've been extremely cautious about trying to push the problems off to other agencies like our public schools, colleges or contract social service agencies. In fact, we haven't cut elementary and secondary education at all. The two percent cut to our colleges and universities hurt me deeply but I believe these institutions can tighten up their administrative costs just like we have and not affect student services. The two percent cut in Medicaid hasn't yet resulted in a direct cut in essential services to needy people but I fear that such cuts will be inevitable sometime in the next two years. All the rest of our part of state government has been cut on average 5%. The bottom line is that with these cuts and using some of our reserves, we've absorbed this revenue shortfall without substantially affecting direct services.

Other states are experiencing similar revenue shortfalls. How are they coping? Ohio laid off 200 mental health workers. Michigan laid off 500 prison employees. We laid off no employees. Tennessee shut down state parks. Ours are still open. South Carolina cut elementary and secondary education 5 percent. We haven't cut our local school boards.

And Indiana, Iowa, Kansas, North Carolina, West Virginia and Tennessee have or are considering raising taxes!

Our highest priority has been to keep our current commitments. Just as I value my word as an individual, I expect government to provide its citizens the services its leaders have agreed to provide. It's the legacy of my parents and their constant admonishment, "Paul Edward, always do what you say you'll do. Keep your promises." To the people of Kentucky who depend on Kentucky State Government, which is all of our four million people, I say to you, this is a document of promises kept! I ask this legislature to work with me to make these promises a reality, even if a few have to be delayed to the next biennium.

Our economy measures have had minimal affect on services for the current year but we've had to be creative to achieve this goal. We've cut $255 million in expenses but we're also using $278 million of our reserves. In addition to $159 million from our Budget Reserve Trust Fund, we've taken $119 million from other programs which won't need those funds to carry on their work at present levels. We can't do that forever so all of the revenue growth next year, in fact for the next two years, will go to pay for services that are currently being provided with non-recurring funds, creating a condition I've preached against for six years, a structurally imbalanced budget. This is bad fiscal policy if used to increase services beyond a level which can be sustained. It's a sound, humane policy, if used temporarily to keep from cutting services that our people have come to depend on.

I want to emphasize that this proposal anticipates that the nation will come out of this recession and we'll have General Fund revenue growth of 3.3 percent in 03 and 4.1 percent in 04 but this revenue increase will be needed to replace the one-time money we're taking from our reserves to keep from cutting services. There will be no money for new services in the next biennium.

After having served as your governor for over six years, I think I know the needs of the people of Kentucky as well as anyone who's ever held this office. I know as clearly as I've ever known anything in my life that we need to provide more services for our needy people. I know that we need to provide more infrastructure like roads and water and sewer and community facilities all over Kentucky if we're going to be the world-class society that we want to be. I know that we need to provide more education for our children if they're going to be able to succeed in a world where other children are getting more education.

But our challenge during these next two years is going to be to keep the commitments we've already made and to not lose ground in the key areas of education and economic development that are critical to Kentucky's long-term future. I want you to realize the magnitude of the problem! In the second year of the next biennium, General Fund revenue is estimated to be less than the expenditures which we originally budgeted for the current fiscal year.

How can we even hold our own, under these circumstances? By managing wisely, by being more efficient and by spending down our reserves. That's what I propose.

These past eight months have been very difficult as we've had to reduce, using the criteria you provided, the appropriations in the budget you adopted two years ago.

The exact opposite was true in my first two budgets. Revenue exceeded estimates. We had money left over at the end of the year and you and I both were able to go about the state announcing major state investments in the infrastructure of the Commonwealth. That is not the case this year.

Perhaps the most important thing we didn't do during times of plenty was commit all of these excess revenues to ongoing programs. Some other states are finding their fiscal situation much worse than ours. Indiana is proposing to cut the state's contribution to Medicaid by 10%; Idaho is cutting its appropriation to state police by 15%; and Michigan is considering rescinding previous tax cuts.

One reason we've been able to cope better than some of our neighbors is that when the economy was strong, we built our Budget Reserve Trust Fund, what some people call our rainy day fund, to an unprecedented high, 279 million dollars, 3.7 percent of our General Fund revenue. And we had reserves in other funds of nearly 220 million dollars. It's a good thing we did because these reserves have allowed us, with few exceptions, to keep the commitments we jointly made over the past six years. Using these reserves until state revenue catches up with the level of expenditures needed to fund programs we've already established will allow us to keep our promises.

Let me emphasize that we aren't proposing a deficit because our reserves and some one-time revenue will allow us to meet our obligations. Some of the major fund sources we propose to use include $92 million from the Petroleum Storage Tank Removal Fund. This will still leave the fund with enough revenue to continue their expenditure at the average level of the past few years.

We'll also use 49 million dollars from the Kentucky Access Health Insurance Fund, again leaving the fund more money than it expects to need during the biennium. We won't transfer the $38 million of coal severance tax to the Special Fund but we do prohibit any increase in the assessment on workers' compensation insurance premiums during the biennium. We credit $30 million worth of the Blue Cross-Anthem stock received by the Kentucky Employees Retirement System against the state's obligation to the System in fiscal 03. This will in no way affect employee benefits or endanger the fiscal integrity of the Pension Fund. We declare a tax amnesty which will net $30 million over the biennium. We propose to sell the NOX credits set aside for merchant power plants for about $13 million. And we've used about $45 million from other sources.

We've worked harder this time than we have on any of our three previous budget proposals. I've never presented to you a starting point for a budget that's been examined in such detail by our cabinets, the Governor's Office for Policy and Management and by me and the staff in the Governor's Office.

This proposal has no new programs. It also doesn't have any substantial cuts of essential services. It spends down our reserves. It doesn't have a deficit. That's the best balance I can achieve under these adverse fiscal conditions.

This has been the most difficult fiscal challenge I've faced as governor; but as difficult as it's been, our administration was better prepared to meet it than any you've ever worked with before.

Because of succession, this budget proposal has been prepared by the most experienced and capable group of public administrators ever to serve the people of Kentucky. Five of our fourteen cabinet secretaries have been on the job six years and have prepared their fourth budget, an unprecedented record. The rest of our cabinet secretaries are experienced, capable individuals with an average of over 11 years in state government. And my core leadership team - Skipper Martin, Crit Luallen and Jim Ramsey - has been here since day one.

It's because of this dedicated, experienced team that I can propose to you tonight a budget which, in almost every respect, keeps the commitments we've already made, with less revenue than we're spending in the current fiscal year. And I remind you that we've already cut the expenditure of all state government except education and Medicaid to five percent below the level you authorized two years ago.

As we began to prepare this proposal, we had five goals in mind. We were hopeful we wouldn't have to substantially cut services. We were determined to protect the purchasing power of our teachers and state employees. We were committed to keeping Kentucky safe by keeping criminals off the streets. We were keenly aware of our promises to our most vulnerable people, our mentally ill and mentally retarded. And for the sake of the future of Kentucky, we knew we had to keep our support for education at an acceptable level.

In general we asked our cabinets to prepare a budget for the next two years with the same amount of money they have in this fiscal year, after the 5 percent cut; essentially a flat-funded budget, with some exceptions. We know that some costs are going to increase which means other costs will have to be cut. But to minimize the impact on services, we instructed our cabinets to look at every single dollar being spent on administrative costs before touching a dollar going to critical programs or services. Each cabinet identified specific cost savings that would result from these management initiatives. We began in July by limiting overtime and this change alone is saving nearly a million dollars every two weeks.

Let me summarize for you just some of the other administrative cuts that we've made this year and the next two years to reduce the impact on direct service delivery.

We've cut the use of cell phones, pagers and other communication services – $2 million; we've cut travel – $2.5 million; we've cut printing – $5.5 million; we've cut the use of state cars – $3.5 million; we've eliminated or reduced almost $12 million worth of contract services; we've canceled $5.5 million in purchases of furniture; we've eliminated $1.3 million in rent and utilities and there are other similar cuts totaling over 90 million dollars over a three-year period. And while we propose no layoffs, we do reduce the number of authorized personnel in the executive branch by 4,500.

Even though our actions will require existing employees to work more efficiently, we haven't called on them to bear the brunt of the revenue shortfall because building and retaining a qualified professional workforce is essential to maintaining quality service. This is true of any organization and it's especially true of our government and schools. Job security and wage stability are two of the essential characteristics of employment which build loyalty and continuity in a workforce. That's the reason we worked so hard to meet this crisis with no layoffs and to assure a cost-of-living wage adjustment for all employees of state government and local schools boards.

If you'll remember, the cutbacks of the early 80's resulted in thousands of layoffs which created a sense of insecurity in the state workforce that reverberates even today. One of my highest priorities for public employees since I've been a public manager has been to not endanger the job security or cut the purchasing power of the people I work with because to do so is to bring on personal stress and will lower their standard of living. Nothing can be more destructive of morale and commitment than to think your employer is insensitive to your peace of mind or your increased costs at home.

And while some private employers are reducing their commitment to employee health insurance, we continue to fund the entire cost of a high-quality health care plan for our 44 thousand state employees and for all of the 130 thousand of our retirees and the employees of our local school boards and other government agencies.

Some agencies have absorbed the increased labor costs and the eleven percent annual increase in the cost of health insurance within their flat-funded base budget. Others have had to have more money to cover some or all of these costs. After all, once you've already absorbed a 5 percent budget cut, your options to absorb increased costs without cutting services is somewhat limited.

The employees of our school boards are equally important to the welfare of our people and are equally deserving of protection from cuts in their purchasing power and our budget does that!!!

Service to its people is the essence of government and our employees are essential to our efforts to provide services to our people. One of these important services is our criminal justice system. As I've often said, protecting the lives and the property of its citizens is the first responsibility of government, and the improvements we've made in our criminal justice system over the past 6 years are making Kentucky safer every day. But these improvements also result in more people in our prisons and this is a cost increase we can't avoid. We can't tell judges to impose stiffer sentences and then refuse to provide prison space. One of the largest increases over this year's adjusted budget, 7.3 percent for the biennium, goes to Corrections; for more parole officers and more prison beds.

While we're legally required to house convicted felons, we're morally obligated to care for our mentally retarded and mentally ill. One of the most important pieces of social legislation passed while I've been governor is House Bill 144. In that law we agreed to reduce the backlog of underserved mentally retarded and developmentally disabled people eligible for community-based services. We're providing 500 placements for these vulnerable Kentuckians in the current biennium and our proposal provides for another 500 in the next biennium!!!

To better serve our mentally ill neighbors and those suffering from substance abuse, we fund the recommendation of the commission established by House bill 843 which requested that we complete our system of crisis stabilization centers by adding ten to the already existing eighteen centers around the state. Our proposal does that!!!

We also address issues raised in the Olmstead Supreme Court decision by providing new dollars to the Department of Aging for important home care services and new dollars to the Workforce Development Cabinet for supported employment and more money for wrap-around services for the mentally ill in their community. Overall these programs for our most vulnerable people receive an increase of 7.1 percent over the biennium. We are keeping our promises.

As vital as our social service and criminal justice programs are, our largest and most important job in state government is education and we've kept our commitments there.

While our proposal pays for the increased cost of health insurance for school board employees in both years and for the cost-of-living wage adjustment in the second year of the biennium, it does require local school boards to provide a cost-of-living wage adjustment to all their employees in the first year of the biennium with current funding and to pay the cost of health insurance for federally funded employees out of their new federal dollars. Our local school boards will have almost twice as much new federal money as this health insurance will cost. The excess new federal money will help these districts absorb some of the employee wage adjustment so that the overall impact on school services will be minimal. Let me assure you that no other program impacted by this budget will be that fortunate.

I understand that states like California, Oregon, Florida and Georgia are considering cutting their support for elementary and secondary education. We've certainly treated our schools better than these states.

Not only have we provided for our teachers and other school employees, we've maintained our commitment to pre-school, school technology and school rewards and our commitment to build 100 million dollars worth of new school buildings in the next biennium. We've kept our promises to our school children!!!

We've certainly not been able to treat our colleges and universities quite as well. In the most important initiative of my administration, we've challenged our institutions of higher learning to create the intellectual capital we need to build a new economy where we can have the increased standard of living and quality of life that we all want.

My proposal doesn't do all we need to do to enable them to make the progress they need to make over the next two years, but we do fund the two most important parts of the Council on Postsecondary Education's recommendations.

We fully fund the Council's recommendation for the enrollment and retention fund. After all, we've charged all of these institutions, but especially our community and technical colleges and our comprehensive universities, to increase enrollment and to keep the students they enroll in school. We can't expect them to continue to pursue our goal of college completion rates equal to the national average if we can't keep our promise to reward them if they do the job.

And similarly with our two research universities, and our comprehensive universities' programs of excellence. That's why we propose to continue the Bucks for Brains program at the level of 100 million dollars for the University of Kentucky and the University of Louisville and $20 million for our six comprehensive universities, only this time we revert to our original 1998 proposal of Bonds for Brains. We also authorize $67 million of bonds for agency-supported capital construction at our universities.

Of course, the most important element of our postsecondary education program is our students. And we fully fund our commitment to their scholarships. We've increased the appropriation to our needs-based and merit-based scholarship programs by 52 percent. This demonstrates how important these programs are and how well they're working! Overall enrollment in postsecondary education is up 14 percent! The really amazing statistic is that enrollment in our community and technical colleges is up 38 percent! We're ahead of schedule on our quest to achieve a college-going rate equal to the national average by 2020!!!

This budget also maintains our commitment to move forward on the next critical step of building on higher education reform and that's ensuring that Kentucky is competitive in the New Economy. By providing continued funding to begin implementation of our New Economy strategic plan, we'll be growing the quality jobs we need to keep our quality graduates here in Kentucky.

We keep our promise to the coal regions, made in 1992, to return 50 percent of the coal severance tax to help grow their economy and bring their infrastructure up to par.

And we keep our commitment to spend 50 percent of the tobacco settlement proceeds on maintaining our rural way of life and 25 percent on our youngest citizens to give them a better start in life.

Our agricultural economic revitalization program is by far the most progressive in the nation and will enable us to maintain our unique family farms and our high quality rural lifestyle.

Early childhood development is another area where Kentucky leads the nation. Only California, according to nationally known child advocate Rob Reiner, does more. This is really a matter of pay now or pay later. Children with high-quality childhood programs go on to earn 60 percent more when they reach adulthood. Low-income children who receive high quality, early child care are more likely to remain in school, attend college and get good jobs. For every one dollar invested in early childhood development, seven dollars is saved in the cost of remedial education, welfare and incarceration. No program we're operating now will have a higher rate of return to our society in 20 years!!!

And as far as the other 25 percent of the tobacco settlement money goes, we continue to fully fund the lung cancer research program and the smoking cessation and substance abuse programs and adequately fund the Kentucky Access Health insurance program for high risk individuals.

Yes, in many ways, and in spite of the most dire financial problems we've experienced in a generation, this is a budget of promises kept. But not all promises can be kept in this biennium. The three capital construction projects not funded that trouble me the most are the Lexington Convention Center and the Muhammad Ali Center in Louisville and the suspension of work on the multi-year, multi-administration renovation of the state Capitol complex.

To the supporters of these projects, we made our promise to you believing that we would continue to have a community development program large enough to fund these and other needed projects throughout the Commonwealth. We were too optimistic. Considering our financial circumstances, I cannot, in good conscience, recommend construction projects while so many human needs go unmet. The General Assembly has endorsed these projects by partially funding them, knowing that more money was needed. I trust they'll be fully funded in 2004.

And there are other important areas that this budget doesn't address. It certainly doesn't do all we need to do to reach our education goals for the year 2020. It contains no state funds for construction at our colleges and universities; no new classrooms, no new research laboratories, no new student service facilities. While our proposal funds the cost of utilities and janitorial services for the new construction in progress as a result of our past capital construction programs, it doesn't adequately fund the cost of the additional faculty that'll be needed. And it makes no progress towards achieving benchmark funding.

For our elementary and secondary schools our proposal provides no money for real wage increases for our teachers and no money to extend the school year to the national average or to provide more pay to teachers in hard to fill disciplines or difficult schools.

For state employees, we still can't put those 18,000 people who are in a grade lower than they should be into the correct grade and we can't give a fair raise to the long-time employees who may have had their job grade raised but received no raise because they're still above the entry-level wage.

But most of all, I'm very concerned about our Medicaid program. During the past six years we've increased funding for Medicaid by forty-six percent, more than any other major program except juvenile justice. This proposal will recommend no increase in state funds for Medicaid over the biennium but we do anticipate actual spending increases of nearly 190 million dollars through efficient management of resources. The problem is that we're still about 200 million dollars short of the money required to pay for the anticipated needs in the second year of the biennium. Absent a source of this money, our only recourse will be to reduce the optional services available in our Medicaid program and eliminate coverage for some optional demographic groups. There's no doubt about it, Medicaid is the most seriously underfunded program in our proposal. The funds we recommend won't cover the inevitable and unavoidable increase in the cost of healthcare and the constantly increasing demand for services created by an aging population and the new pressures occasioned by a deteriorating economy.

This pains me more than any other part of this proposal but I can find no other option. I know many of you will be equally anguished but you'll also find it difficult to propose a less painful alternative.

Another deficiency in this proposal that'll affect you and your communities in a more visible way is the lack of funding to continue to improve our community infrastructure. There are no community development projects; no arena for Northern Kentucky, no money for the Center for Women and Families in Louisville, or no money for the Clay Community Center in Mount Sterling, or for any of the hundreds of other recreational, service or life-safety facilities that our communities need and you legislators want to provide for your constituents.

Even though we propose 11.2 million dollars to match available federal funds for water and sewer programs, we don't have other General Fund appropriations to continue our 2020 program to provide safe adequate water to our rural areas by the year 2020.

Nothing for the Fairgrounds, nothing to complete our golf courses under construction, and nothing for the proposed regional business park in the Purchase. The fact of the matter is that we just don't have the money!

We're presenting you with a proposal which increases General Fund expenditures in fiscal year 03 over the reduced fiscal year 02 base by only $65 million or .9 percent. This is 146 million, or 2 percent below what you appropriated for fiscal 02 in the budget enacted in the 2000 session. This expenditure level is $100 million more than we expect to receive in recurring revenue in fiscal 03; a structural imbalance of 1.4 percent.

As we look at the 04 proposal, it anticipates a level of expenditure above the proposed 03 budget of $247 million, or 3.5 percent, with a structural imbalance of $58 million, or 0.8 of one percent.

The $298 million of new bonded indebtedness recommended for the next biennium is the lowest amount authorized in any biennium that we can find in the records available. This maintains our debt service at 6 percent of state-generated revenue, which is the guideline I've used to gauge the level of debt we should carry.

This proposal seriously depletes our reserves and so we must act as quickly as we can to rebuild them, especially our Budget Reserve Trust Fund. We don't use any of the remaining $120 million in the Budget Reserve Trust Fund because to budget this money to fund ongoing expenses would be the worse of all fiscal policies and would in fact be a mockery of the principle of a reserve fund. I will resist all efforts to use any of this money. At the same time, we don't make a direct appropriation to the fund, directing only that all of any lapses or excess revenues be appropriated to it.

Our current experience demonstrates that we need a Budget Reserve Trust Fund of at least five percent of General Fund Revenue, about $360 million based on our 2004 estimate of revenue. Let me urge you to make direct appropriations to the Budget Reserve Trust Fund in the next biennium and continue to appropriate all lapses and excess revenues to the fund until it's reached this 5 percent level.

Now we don't need to get to 5 percent in the next budget but we should be determined to get there in eight to ten years. Hopefully, it'll be that long before we have another recession like we're in now.

I know this proposal doesn't do everything we want or need to do but to my friends in the legislature who want to improve other services for your constituents, let me assure you that I share your concerns, but in my opinion, it's going to be difficult with current revenue. I ask for you to not raise expectations of more money for important programs without providing a source of that money. I call upon the leaders of each body of the legislature to join with me and not allow the passage of a law calling for an expenditure which is not in the budget and to resist those who try, regardless of party.

In summary, we face the most severe revenue shortfall since 1981. But we've managed our way through it and we've presented to you a proposed budget that cuts administrative costs, maintains faith with our employees and teachers, keeps criminals off the streets, protects our most vulnerable citizens and ensures continued progress in education.

We won't be able to start new programs that our people need or fund the many projects that are important to your local communities but this proposal does, with very few exceptions, keep the promises we've already made. There's nothing in this proposal that hasn't been endorsed by previous legislative action. We have kept faith with our people. This is a document of promises kept.

I fully realize that you must make the final decision. We stand ready to provide you any information in our possession. We caution you against reducing any item in this proposal without carefully evaluating the impact. We recognize our responsibility to work with you to do the best we can for our people during these difficult times.

Again, I thank the people of Kentucky for the opportunity to work with you to serve them and generations to come.

Good night and God bless you, God bless America.

Representative Stumbo moved that the Joint session of the House and Senate be dissolved. Agreed.

The Speaker resumed the chair.

The House of Representatives of the Commonwealth of Kentucky hereby pays most ardent tribute to the members of the Western Kentucky University Board of Regents for the tremendous foresight and vision that each has contributed to the standard of excellence within higher education at WKU and throughout the Commonwealth. Collectively committed to fostering higher education reform, quality and growth to national prominence and economic development across Kentucky, the Western Kentucky University Board of Regents has played an instrumental role in this institution becoming one of the fastest growing universities in the Commonwealth. Under its astute leadership, WKU has matched 100% of its Bucks for Brains allocation; raised more than $70 million for its Investing in the Spirit Campaign and led the way to create a statewide engineering initiative, enrolling 150 electrical, mechanical and civil engineering students in the first semester. Additionally, after the passage of House Bill 1, WKU rose to the challenge of Governor Paul E. Patton and the Kentucky General Assembly for each of Kentucky's universities to identify an academic program that could rise to national prominence and, now, the School of Journalism and Broadcasting is recognized as a Council on Post-Secondary Education Program of Distinction, has been ranked by the William Randolph Hearst Foundation as the nation's top program of its kind and is the only academic program among Kentucky's post-secondary institutions to achieve a number one national ranking. Inasmuch as the members of the WKU Board of Regents have labored with great integrity in stewardship to the field of education within this Commonwealth, the members of this distinguished body are delighted to join Speaker Jody Richards in expressing sincere gratitude for their efforts and in welcoming them as they observe this day of the 2002 Regular Session of the Kentucky General Assembly. Section 1. KRS 160.345 is amended to read as follows:

(1) For the purpose of this section:

(a) "Minority" means American Indian; Alaskan native; African-American; Hispanic, including persons of Mexican, Puerto Rican, Cuban, and Central or South American origin; Pacific islander; or other ethnic group underrepresented in the school;

(b) "School" means an elementary or secondary educational institution that is under the administrative control of a principal or head teacher and is not a program or part of another school. The term "school" does not include district-operated schools that are:

1. Exclusively vocational-technical, special education, or preschool programs;
2. Instructional programs operated in institutions or schools outside of the district; or
3. Alternative schools designed to provide services to at-risk populations with unique needs;

(c) "Teacher" means any person for whom certification is required as a basis of employment in the public schools of the state with the exception of principals, assistant principals, and head teachers; and

(d) "Parent" means:

1. A parent, stepparent, or foster parent of a student; or
2. A person who has legal custody of a student pursuant to a court order and with whom the student resides.

(2) Each local board of education shall adopt a policy for implementing school-based decision making in the district which shall include, but not be limited to, a description of how the district's policies, including those developed pursuant to KRS 160.340, have been amended to allow the professional staff members of a school to be involved in the decision making process as they work to meet educational goals established in KRS 158.645 and 158.6451. The policy may include a requirement that each school council make an annual report at a public meeting of the board describing the school's progress in meeting the educational goals set forth in KRS 158.6451 and district goals established by the board. The policy shall also address and comply with the following:

(a) Except as provided in paragraph (b)2. of this subsection, each participating school shall form a school council composed of two (2) parents, three (3) teachers, and the principal or administrator. The membership of the council may be increased, but it may only be increased proportionately. A parent representative on the council shall not be an employee or a relative of an employee of the school in which that parent serves, nor shall the parent representative be an employee or a relative of an employee in the district administrative offices. A parent representative shall not be a local board member or a board member's spouse. None of the members shall have a conflict of interest pursuant to KRS Chapter 45A, except the salary paid to district employees;

(b) 1. The teacher representatives shall be elected for one (1) year terms by a majority of the teachers. A teacher elected to a school council shall not be involuntarily transferred during his or her term of office. The parent representatives shall be elected for one (1) year terms. The parent members shall be elected by the parents of students preregistered to attend the school during the term of office in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. A school council, once elected, may adopt a policy setting different terms of office for parent and teacher members subsequently elected. The principal or head teacher shall be the chair of the school council.

2. School councils in schools having eight percent (8%) or more minority students enrolled, as determined by the enrollment on the preceding October 1, shall have at least one (1) minority member. If the council formed under paragraph (a) of this subsection does not have a minority member, the principal, in a timely manner, shall be responsible for carrying out the following:

a. Organizing a special election to elect an additional member. The principal shall call for nominations and shall notify the parents of the students of the date, time, and location of the election to elect a minority parent to the council by ballot; and

b. Allowing the teachers in the building to select one (1) minority teacher to serve as a teacher member on the council. If there are no minority teachers who are members of the faculty, an additional teacher member shall be elected by a majority of all teachers. Term limitations shall not apply for a minority teacher member who is the only minority on faculty;

(c) 1. The school council shall have the responsibility to set school policy consistent with district board policy which shall provide an environment to enhance the students' achievement and help the school meet the goals established by KRS 158.645 and 158.6451. The principal or head teacher shall be the primary administrator and the instructional leader of the school, and with the assistance of the total school staff shall administer the policies established by the school council and the local board.

2. If a school council establishes committees, it shall adopt a policy to facilitate the participation of interested persons, including, but not limited to, classified employees and parents. The policy shall include the number of committees, their jurisdiction, composition, and the process for membership selection;

(d) The school council and each of its committees shall determine the frequency of and agenda for their meetings. Matters relating to formation of school councils that are not provided for by this section shall be addressed by local board policy;

(e) The meetings of the school council shall be open to the public and all interested persons may attend. However, the exceptions to open meetings provided in KRS 61.810 shall apply;

(f) After receiving notification of the funds available for the school from the local board, the school council shall determine, within the parameters of the total available funds, the number of persons to be employed in each job classification at the school. The council may make personnel decisions on vacancies occurring after the school council is formed but shall not have the authority to recommend transfers or dismissals;

(g) The school council shall determine which textbooks, instructional materials, and student support services shall be provided in the school. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school council. The school council shall consult with the school media librarian on the maintenance of the school library media center, including the purchase of instructional materials, information technology, and equipment;

(h) From a list of applicants submitted by the local superintendent, the principal at the participating school shall select personnel to fill vacancies, after consultation with the school council, consistent with subsection (2)(i)10. of this section. Requests for transfer shall conform to any employer-employee bargained contract which is in effect. If the vacancy to be filled is the position of principal, the school council shall select the new principal from among those persons recommended by the local superintendent. When a vacancy in the school principalship occurs, the school council shall receive training in recruitment and interviewing techniques prior to carrying out the process of selecting a principal. The council shall select the trainer to deliver the training. Personnel decisions made at the school level under the authority of this subsection shall be binding on the superintendent who completes the hiring process. ***Applicants subsequently employed shall provide evidence that they meet all qualifications set forth by Kentucky Revised Statutes, administrative regulations, and school board policies by September 15 of the year employed.*** The superintendent shall provide additional applicants upon request when qualified applicants are available;

8. Selection of extracurricular programs and determination of policies relating to student participation based on academic qualifications and attendance requirements, program evaluation, and supervision;
9. Procedures, consistent with local school board policy, for determining alignment with state standards, technology utilization, and program appraisal; and
10. Procedures to assist the council with consultation in the selection of personnel by the principal, including, but not limited to, meetings, timelines, interviews, review of written applications, and review of references. Procedures shall address situations in which members of the council are not available for consultation; and

(j) Each school council shall annually review data on its students' performance as shown by the Commonwealth Accountability Testing System. The data shall include, but not be limited to, information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, and participation in the federal free and reduced price lunch program. After completing the review of data, each school council shall adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b). The Kentucky Department of Education shall provide each school council the data needed to complete the review required by this paragraph no later than December 31 of each year. If a school does not have a council, the review shall be completed by the principal.

(4) In addition to the authority granted to the school council in this section, the local board may grant to the school council any other authority permitted by law. The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.

(5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

(6) The Department of Education shall provide professional development activities to assist schools in implementing school-based decision making. School council members elected for the first time shall complete a minimum of six (6) clock hours of training in the process of school-based decision making, no later than thirty (30) days after the beginning of the service year for which they are elected to serve. School council members who have served on a school council at least one (1) year shall complete a minimum of three (3) clock hours of training in the process of school-based decision making no later than one hundred twenty (120) days after the beginning of the service year for which they are elected to serve. School council training required under this subsection shall be conducted by trainers endorsed by the Department of Education, and school council members shall complete the required training no later than thirty (30) days after the beginning of the service year for which they are elected to serve. By November 1 of each year, the principal through the local superintendent shall forward to the Department of Education the names and addresses of each council member and verify that the required training has been completed. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.

(7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the commissioner of education and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(8) The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. Included in the school council formula shall be an allocation for professional development that is at least sixty-five percent (65%) of the district's per pupil state allocation for professional development for each student in average daily attendance in the school. The school council shall plan professional development in compliance with requirements specified in KRS 156.095. School councils of small schools shall be encouraged to work with other school councils to maximize professional development opportunities.

(9) (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

(d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

After completing the review of data, each school council shall adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b). The Kentucky Department of Education shall provide each school council the data needed to complete the review required by this paragraph no later than December 31 of each year. The school shall submit the model through the local board of education to the commissioner of education and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(1) As used in this section:

(a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state;

(b) "Employee" shall mean any person, other than a teacher, employed in the public schools, whether on a full or part-time basis;

(c) "Immediate family" shall mean the teacher's spouse, children including stepchildren ***and foster children***, grandchildren, daughters-in-law and sons-in law, brothers and sisters, parents and spouse's parents, and grandparents and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's home; and

(d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers or employees for use by teachers or employees who have exhausted all sick leave and other available paid leave days.

(2) Each district board of education shall allow to each teacher in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill, that the teacher was absent for the purpose of attending to a member of his immediate family who was ill, or for the purpose of mourning a member of his immediate family. The ten (10) days of sick leave granted in this subsection may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.

(3) Days of sick leave not taken by an employee or a teacher during any school year shall accumulate without limitation and be credited to that employee or teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow employees or teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to an employee or a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of

Education to a school district.

(4) Accumulated days of sick leave shall be granted to a teacher if, prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.

(5) Any school teacher or employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.

(6) A district board of education may adopt a plan for a sick leave bank. The plan may include limitations upon the number of days a teacher or employee may annually contribute to the bank and limitations upon the number of days a teacher or employee may annually draw from the bank. Only those teachers or employees who contribute to the bank may draw upon the bank. Days contributed will be deducted from the days available to the contributing teacher or employee. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.

(7) (a) A district board of education shall establish a sick leave donation program to permit teachers or employees to voluntarily contribute sick leave to teachers or employees in the same school district who are in need of an extended absence from school. A teacher or employee who has accrued more than fifteen (15) days' sick leave may request the board of education to transfer a designated amount of sick leave to another teacher or employee who is authorized to receive the sick leave donated. A teacher or employee may not request an amount of sick leave be donated that reduces his or her sick leave balance to less than fifteen (15) days.

(b) A teacher or employee may receive donations of sick leave if:

1. a. The teacher or employee or a member of his or her immediate family suffers from a medically certified illness, injury, impairment, or physical or mental condition that has caused or is likely to cause the teacher or employee to be absent for at least ten (10) days; or

b. The teacher or employee suffers from a catastrophic loss to his or her personal or real property, due to either a natural disaster or fire, that either has caused or will likely cause the employee to be absent for at least ten (10) consecutive working days;

2. The teacher's or employee's need for the absence and use of leave are certified by a licensed physician for leave requested under subparagraph 1.a. of this subsection;

3. The teacher or employee has exhausted his or her accumulated sick leave, personal leave, and any other leave granted by the school district; and

4. The teacher or employee has complied with the school district's policies governing the use of sick leave.

(c) While a teacher or employee is on sick leave provided by this section, he or she shall be considered a school district employee, and his or her salary, wages, and other employee benefits shall not be affected.

(d) Any sick leave that remains unused, is not needed by a teacher or employee, and will not be needed in the future shall be returned to the teacher or employee donating the sick leave.

(e) The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.

(8) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.

(9) After July 1, 1982, a district board of education may compensate, at the time of retirement or upon the death of a member in active contributing status at the time of death who was eligible to retire by reason of service, an employee or a teacher, or the estate of an employee or teacher, for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.

(10) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. This credit shall be for the purposes set forth in subsection (9) of this section.

(11) The death benefit provided in subsection (9) of this section may be cited as the Baughn Benefit.

(3) Beginning August 15, 2002, a state employee shall be granted up to one (1) hour per week of volunteer leave, provided the following conditions are met:

(a) The state employee makes a formal request to his or her supervisor that specifies the location and the time each week that he or she will be mentoring;

(b) The formal request is accompanied by a letter from the school principal or head teacher on official letterhead that specifies that the state employee has been approved to serve as a mentor in the school in compliance with the local school district policies or the private school policies;

(b) A supervisor shall not approve a mentor to aggregate hours in consecutive months.

(8) On occasion, it may be necessary for a supervisor to deny a request for leave when the employee's absence would impact the ability of the work unit to accomplish its mission; however, the supervisor shall determine an alternative that will permit the employee to mentor under provisions of this section.

(9) The state shall not be liable for workers' compensation benefits arising from accident or injury while the state employee is on assignment as a mentor in a school.

HCR 49, A CONCURRENT RESOLUTION urging the United States Congress to fully fund special education.

WHEREAS, federal funding for special education programs has been critical to ensuring that more than 1 million children with disabilities receive public education; and

WHEREAS, prior to enactment of the Education for All Handicapped Children Act of 1975 only one in five children with disabilities was educated in public schools in the United States; and

WHEREAS, despite significant strides in increasing and enhancing public education of children with disabilities, many of these children still do not receive the services and assistance they need to succeed in public schools; and

WHEREAS, the United States Department of Education's education initiative in the first session of 107th Congress was entitled the "No Child Left Behind Act of 2000"; and

WHEREAS, despite the intent of ensuring all children an opportunity to learn in public schools and providing sufficient funding to assist school districts in meeting the needs of all of these students, the No Child Left Behind Act of 2000 failed to fully fund educational services to children with disabilities by two votes, in essence leaving some of the nation's neediest children behind; and

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the 107th United States Congress is hereby urged to fully fund the Individuals with Disabilities Education Act (IDEA) during its session in 2002 to provide sufficient educational service to all children with disabilities by 2007.

Section 4. KRS 304.20-040 is amended to read as follows:

(1) As used in this section:

  (a) "Policy" means an automobile liability insurance policy, delivered or issued for delivery in this state, insuring a single individual or husband and wife resident of the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy.

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy.

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium, at least fourteen (14) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals. ***A policy or coverage which has been in effect less than sixty (60) days at the time the notice of cancellation is mailed or delivered by the insurer is not limited to the reasons in subsection (2)(a) of this section unless it is a renewal policy. (e) Another insurer previously declined to insure the applicant or terminated an existing policy in which the applicant was the named insured. ***A carrier shall not move an insured to another company within its group for the purposes of cancellation or nonrenewal.***

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew. If notice is not provided, coverage shall

be deemed to be renewed for the ensuing policy period upon payment of the appropriate payment under the same terms and conditions, until the named insured has accepted replacement coverage with another insurer, or until the named insured has agreed to the nonrenewal.

(6) The transfer of a policyholder between companies within the same insurance group shall be considered a nonrenewal.

(7) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of the renewal.

(8) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(9) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (8) of this section.

(b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy shall be sufficient proof of notice.

(10) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is an individual with a disability, so long as the disability does not substantially impair the person's mechanically assisted driving ability.

(11) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. The notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. The notice shall also inform the insured that he may, within seven (7) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b) and KRS Chapter 13B. The party requesting the hearing shall give the commissioner written confirmation of attendance at the hearing not more than five (5) days before, nor less than forty-eight (48) hours before, the scheduled hearing. If the requesting party fails to give the required written confirmation, the commissioner shall cancel the hearing.

(12) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(13) Except where the maximum limits of coverage have been purchased, every notice of first renewal shall include a provision or be accompanied by a notice stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.

(14) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employees, or any firm, person, or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written, specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

(15) (a) If the commissioner determines that an insurer has violated any provision of this section, the commissioner may require the insurer to:

2. Reinstate insurance coverage to the end of the policy period; or

3. Continue insurance coverage at a rate and on the same terms and conditions as are available to other risks similarly situated.

(b) As to any person who has violated any provisions of this section, the commissioner may:

1. Issue a cease and desist order to restrain the person from engaging in practices that violate this section;

2. Suspend or revoke the person's license or certificate of authority;

3. Assess a civil penalty against the person in accordance with KRS 304.99-020; or

(3) A premium finance company may include, in the premium finance agreement, a security interest in the unearned premium due on the insurance policy in the event of a cancellation of the insurance policy. No security interest in loss payments or other insurance policy proceeds shall be permitted except a security interest in loss payments on the insurance policy that reduce or eliminate unearned premium.

Section 6. KRS 304.30-090 is amended to read as follows:

(1) A premium finance company shall not charge, contract for, receive, or collect a service charge other than as permitted by the subtitle.

(2) The service charge is to be computed on the balance of the premiums due (after subtracting the down payment made by the insured in accordance with the premium finance agreement) from the effective date of the insurance coverage, for which the premiums are being advanced, to and including the date when the final installment of the premium finance agreement is payable. ***A premium finance company shall not charge or permit interest to accrue beyond the scheduled final installment date, unless the insured defaults on the premium finance agreement.***

(3) The service charge shall be a maximum of twelve dollars ($12) per one hundred dollars ($100) per year plus an additional charge of fifteen dollars ($15) per premium finance contract which need not be refunded upon cancellation or prepayment.

SECTION 7. A NEW SECTION OF SUBTITLE 30 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

If an insurer receives written notice from an insurance agent or premium finance company, within fifteen (15) business days after receipt of the initial down payment for the coverage being financed, that the initial down payment has been dishonored by a financial institution, there shall be no valid insurance contract or contracts, and the policy shall be voided.

Section 8. KRS 304.30-110 is amended to read as follows:

(1) When a premium finance agreement contains a power of attorney enabling the premium finance company to cancel any insurance contract or contracts listed in the agreement, the insurance contract or contracts shall not be canceled by the premium finance company unless such cancellation is effectuated in ***a timely manner and in*** accordance with this section.

(2) Not less than ten (10) days' written notice shall be mailed to the insured of the intent of the premium finance company to cancel the insurance contract unless the default is cured within such ten (10) day period.

(3) After expiration of such ten (10) day period, the premium finance company may thereafter request in the name of the insured, cancellation of such insurance contract or contracts by mailing to the insurer a notice of cancellation, and the insurance contract shall be canceled as if such notice of cancellation had been submitted by the insured himself, but without requiring the return of the insurance contract or contracts. The premium finance company shall also ***provide written***[~~mail a~~] notice of cancellation to the insured at his last known address.

(4) All statutory, regulatory, and contractual restrictions providing that the insurance contract may not be canceled unless notice is given to a governmental agency, mortgagee, or other third party shall apply where cancellation is effected under the provisions of this section. The insurer shall give the prescribed notice in behalf of itself or the insured to any governmental agency, mortgagee, or other third party on or before the second business day after the day it receives the notice of cancellation from the premium finance company and shall determine the effective date of cancellation taking into consideration the number of days' notice required to complete the cancellation.

(5) Whenever an insurance contract is canceled in accordance with this section, the insurer shall return***, in a timely manner,*** whatever gross unearned premiums are due under the insurance contract to the premium finance company effecting the

cancellation for the account of the insured or insureds.

(6) In the event that the crediting of return premiums to the account of the insured results in a surplus over the amount due from the insured, the premium finance company shall refund such excess to the insured provided that no such refund shall be required if it amounts to less than one dollar ($1).

SECTION 9. A NEW SECTION OF SUBTITLE 30 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) An insurance premium finance company shall not sell, assign, or otherwise transfer its license to act as a premium finance company in this state.

(2) An insurance premium finance company shall not sell, assign, or otherwise transfer a premium finance agreement unless the assignee, buyer, or transferee:

- ***(a) Is licensed to engage in the business of financing insurance premiums in this state;***
- ***(b) Is exempt from the requirement to obtain a license to engage in the business of financing insurance premiums in this state in accordance with KRS 304.30-010; or***
- ***(c) Does not, as a result of the sale, assignment, or transfer, assume the following responsibilities from the insurance premium finance company:***
    - ***1. Servicing the premium finance agreement in accordance with the provisions of this subtitle; and***
    - ***2. Collecting all payments due pursuant to the provisions of the premium finance agreement.***

Section 10. KRS 304.39-320 is amended to read as follows:

(1) As used in this section, "underinsured motorist" means a party with motor vehicle liability insurance coverage in an amount less than ***the amount the insured is legally liable for in***[~~a judgment recovered against that party for~~] damages on account of injury ***or death*** due to a motor vehicle accident.

(2) Every insurer shall make available upon request to its insureds underinsured motorist coverage, whereby subject to the terms and conditions of such coverage not inconsistent with this section the insurance company agrees to pay its own insured for such uncompensated damages as ***its insured may be entitled to***[~~he may~~] recover on account of injury due to a motor vehicle accident because the ***damages exceed***[~~judgment recovered against the owner of the other vehicle exceeds~~] the liability policy limits ***of the underinsured motorist***[~~thereon,~~] to the extent of the underinsurance policy limits ***of the party entitled to recover***[~~on the vehicle of the party recovering~~].

(3) If an injured person or, in the case of death, the personal representative agrees to settle a claim with a liability insurer and its insured, and the settlement would not fully satisfy the claim for personal injuries or wrongful death so as to create an underinsured motorist claim, then written notice of the proposed settlement must be submitted by certified or registered mail to all underinsured motorist insurers that provide coverage. The underinsured motorist insurer then has a period of thirty (30) days to consent to the settlement or retention of subrogation rights. An injured person, or in the case of death, the personal representative, may agree to settle a claim with a liability insurer and its insured for less than the underinsured motorist's full liability policy limits. If an underinsured motorist insurer consents to settlement or fails to respond as required by subsection (4) of this section to the settlement request within the thirty (30) day period, the injured party may proceed to execute a full release in favor of the underinsured motorist's liability insurer and its insured and finalize the proposed settlement without prejudice to any underinsured motorist claim.

(4) If an underinsured motorist insurer chooses to preserve its subrogation rights by refusing to consent to settle, the underinsured motorist insurer must, within thirty (30) days after receipt of the notice of the proposed settlement, pay to the injured party the amount of the written offer from the underinsured motorist's liability insurer. Thereafter, upon final resolution of the underinsured motorist claim, the underinsured motorist insurer is entitled to seek subrogation against the liability insurer to the extent of its limits of liability insurance, and the underinsured motorist for the amounts paid to the injured party.

(5) The underinsured motorist insurer is entitled to a credit against total damages in the amount of the limits of the underinsured motorist's liability policies in all cases to which this section applies, even if the settlement with the underinsured motorist under subsection (3) of this section or the payment by the underinsured motorist insurer under subsection (4) of this section is for less than the underinsured motorist's full liability policy limits. The term "total damages" as used in this section means the full amount of damages determined to have been sustained by the injured party, regardless of the amount of underinsured motorist coverage. Nothing in this section, including any payment or credit under this subsection, reduces or affects the total amount of underinsured motorist coverage available to the injured party.

Section 11. KRS 304.47-055 is amended to read as follows:

(1) Documents, materials, or other information in the possession or control of the commissioner that is provided according to this subtitle shall be confidential by law and privileged, and shall not be subject to the Kentucky Open Records Act, KRS 61.872 to KRS 61.884. These documents, materials, or other information shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action, unless, after notice to the commissioner and a hearing, a court of competent jurisdiction determines the commissioner would not be unnecessarily hindered. However, the commissioner may use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties.

(2) Neither the commissioner nor any person who received documents, materials, or other information while acting under the authority of the commissioner shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection (1) of this section.

(3) In order to assist in the performance of the commissioner's duties, the commissioner:

(a) May share documents, materials, or other information, including the confidential and privileged documents, materials, or information subject to subsections (1) and (2) of this section, with other state, federal, and international regulatory agencies, with the National Association of Insurance Commissioners ***and***[~~,~~]its affiliates or subsidiaries,[~~ and with local, state, federal, and international law enforcement authorities,~~] if the recipient agrees to maintain the confidentiality and privileged status of the documents, materials, or other information;

(b) May receive documents, materials, or other information, including otherwise confidential and privileged documents, materials, or information from the National Association of Insurance Commissioners, its affiliates or subsidiaries,[~~ and from regulatory and law enforcement~~] officials of other foreign or domestic jurisdictions, and shall maintain as confidential and privileged any documents, materials, or information received with notice or the understanding that it is confidential and privileged under the laws of the jurisdiction that is the source of the documents, materials, or information; ***and***

(c) May enter into agreements governing the sharing and use of information including the furtherance of any regulatory or legal action brought as part of the recipient's official duties.

(4) ***Nothing in this section shall prohibit the commissioner from providing information to or receiving information from any local, state, federal, or international law enforcement authorities, including any prosecuting authority, or from complying with subpoenas or other lawful process in criminal actions or as otherwise provided in this subtitle.***

(5) No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall occur as a result of disclosure to the commissioner under this subtitle or as a result of sharing as authorized in ***subsections***[~~subsection~~] (3) ***and (4)*** of this section.

The Committee Substitute to **HB 213** is as follows:

HB 213, AN ACT relating to consumer protection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 14 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall compile a consumer's guide to medicare supplement insurance in Kentucky as often as the commissioner, in his or her discretion, deems necessary. The consumer's guide shall include information from all insurers offering medicare supplement insurance policies in Kentucky about the medicare supplement insurance policies offered by each insurer and the premium rate charged for each policy. The purpose of the consumer's guide shall be to improve the consumer's ability to select the most appropriate medicare supplement policy and to improve the consumer's understanding of medicare supplement policies.

(2) The commissioner shall distribute, free of charge, a copy of the consumer's guide to medicare supplement insurance policies to any person upon request.

(3) The commissioner shall assess against insurers writing medicare supplement insurance policies in Kentucky on an equitable basis the cost of compiling, printing, and distributing the consumer's guide to medicare supplement policies.

(4) The commissioner shall promulgate administrative regulations prescribing reporting requirements for supplying necessary information, including rates, to the commissioner's office for inclusion in the consumer's guide to medicare supplement insurance policies.

SECTION 2. A NEW SECTION OF SUBTITLE 15 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

The insurer shall deliver the life insurance policy to the policyowner. The insurer shall retain proof of receipt of the policy by the policyowner.

Section 3. KRS 304.20-037 is amended to read as follows:

(1) Each installment billing or billing containing notice of expiration or termination of the policy shall contain language in substance to notify the insured that if the premium is not received prior to the policy expiration date and time, the carrier is not obligated to pay claims occurring after the expiration date and time.

(2) If an insurer has indicated its willingness to renew a policy providing coverage for loss or damage under a property or casualty policy by mailing or delivering to the named insured, at his last known address, a notice of the renewal premium amount and the amount was not paid on or before the anniversary due date, the insurer may, in the absence of an increase in the risk insured, reinstate the expired policy upon the written request of the insured if the insured has not purchased replacement coverage and the request for the reinstatement is made within thirty (30) days following expiration. The insurer shall not require, as a condition for reinstatement, an increase in coverage amount or the premium charge above that which was stated in its renewal offer.

Section 4. KRS 304.20-040 is amended to read as follows:

(1) As used in this section:

  (a) "Policy" means an automobile liability insurance policy, delivered or issued for delivery in this state, insuring a single individual or husband and wife resident of the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

    1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others;

    2. Any other four-wheel motor vehicle with a load capacity of one thousand five hundred (1,500) pounds or less which is not used in the occupation, profession, or business of the insured; provided, however, that this section shall not apply:

      a. To any policy issued under an automobile assigned risk plan;

      b. To any policy insuring more than four (4) automobiles; or

      c. To any policy covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards;

  (b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits, and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, underinsured motorists coverage, and automobile physical damage coverage;

  (c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than three (3) months shall for the purpose of this section be considered as if written for a policy period or term of three (3) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and the policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of nonrenewal prior to the anniversary date;

  (d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of the premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit;

  (e) "Declination" or "decline" means either the refusal of an insurer to issue an automobile liability insurance policy upon receipt of a written nonbinding application or written request for coverage from its agent or an applicant, or refusal of an agent to transmit to an insurer a written nonbinding application or written request for coverage received from an applicant. The offering of insurance coverage with a company within an insurance group that is different from the company requested on the nonbinding application or written request for coverage, or the offering of insurance upon different terms than requested in the nonbinding application or written request for coverage, shall be considered to be a declination; and

  (f) "Agent" includes, but is not limited to, surplus lines broker.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one (1) or more of the following reasons:

    1. Nonpayment of premium;

    2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

    3. Discovery of fraud or material misrepresentation made by or with the knowledge of the named insured in obtaining the policy, continuing the policy, or in presenting a claim under the policy;

    4. Discovery of willful acts or omissions on the part of the named insured that increase any hazard insured against; or

    5. A determination by the commissioner that the continuation of the policy would place the insurer in violation of this chapter or the rules or administrative regulations of the commissioner.

  (b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy.

  (c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy.

  (d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium, at least fourteen (14) days' notice of cancellation

accompanied by the reason therefor shall be given. This subsection shall not apply to renewals. *A policy or coverage which has been in effect less than sixty (60) days at the time the notice of cancellation is mailed or delivered by the insurer is not limited to the reasons in subsection (2)(a) of this section unless it is a renewal policy. Notice of cancellation for a policy that has been in effect for less than sixty (60) days shall be mailed or delivered to the named insured at the last known address of the named insured at least fourteen (14) days in advance of the effective cancellation date. A carrier shall not move an insured to another company within its group for the purposes of cancellation within the first sixty (60) days.*

(4) No insurer or agent shall decline, refuse to renew, or cancel a policy of automobile insurance solely because:

(a) Of the credit history, or lack of credit history, of the applicant or insured;

(b) The applicant or insured has previously obtained automobile coverage through a residual market mechanism or from a carrier providing nonstandard coverage;

(c) The applicant or insured has sustained one (1) or more losses that immediately result from a natural cause without the intervention of any person and that could not have been prevented by the exercise of prudence, diligence, and care;

(d) Of the race, religion, nationality, ethnic group, age, sex, or marital status of the applicant or named insured; or

(e) Another insurer previously declined to insure the applicant or terminated an existing policy in which the applicant was the named insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew. If notice is not provided, coverage shall be deemed to be renewed for the ensuing policy period upon payment of the appropriate payment under the same terms and conditions, until the named insured has accepted replacement coverage with another insurer, or until the named insured has agreed to the nonrenewal.

(6) The transfer of a policyholder between companies within the same insurance group shall be considered a nonrenewal.

(7) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of the renewal.

(8) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(9) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (8) of this section.

(b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy shall be sufficient proof of notice.

(10) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is an individual with a disability, so long as the disability does not substantially impair the person's mechanically assisted driving ability.

(11) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. The notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. The notice shall also inform the insured that he may, within seven (7) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b) and KRS Chapter 13B. The party requesting the hearing shall give the commissioner written confirmation of attendance at the hearing not more than five (5) days before, nor less than forty-eight (48) hours before, the scheduled hearing. If the requesting party fails to give the required written confirmation, the commissioner shall cancel the hearing.

(12) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(13) Except where the maximum limits of coverage have been purchased, every notice of first renewal shall include a provision or be accompanied by a notice stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.

(14) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employees, or any firm, person, or corporation furnishing to

the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written, specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

(15) (a) If the commissioner determines that an insurer has violated any provision of this section, the commissioner may require the insurer to:

1. Accept the application or written request for insurance coverage at a rate and on the same terms and conditions as are available to other risks similarly situated;

2. Reinstate insurance coverage to the end of the policy period; or

3. Continue insurance coverage at a rate and on the same terms and conditions as are available to other risks similarly situated.

(b) As to any person who has violated any provisions of this section, the commissioner may:

1. Issue a cease and desist order to restrain the person from engaging in practices that violate this section;

2. Suspend or revoke the person's license or certificate of authority;

3. Assess a civil penalty against the person in accordance with KRS 304.99-020; or

4. Take any combination of the actions specified in this paragraph.

Section 5. KRS 304.30-080 is amended to read as follows:

(1) A premium finance agreement shall:

(a) Be dated ***and***[~~,~~] signed by ***the premium finance applicant***[~~or on behalf of the insured, and the printed portion thereof shall be in at least eight point type~~];

(b) ***Be readable and intelligible, and the printed portion thereof shall be in at least eight-point, uncompressed type;***

(c) Contain the name and place of business of the insurance agent negotiating the related insurance contract, the name and residence or the place of business of the premium finance company to which payments are to be made, a description of the insurance contracts involved and the amount of the premium therefor; and

(d)[~~(c)~~]Set forth the following items where applicable:

1. The total amount of the premium,

2. The amount of the down payment,

3. The principal balance (the difference between items 1. and 2.),

4. The amount of the service charge,

5. The balance payable by the insured (sum of items 3. and 4.), and

6. The number of installments required, the amount of each installment expressed in dollars, and the due date or period thereof.

(2) The items set out in paragraph *(d)*[~~(c)~~] of subsection (1) of this section need not be stated in the sequence or order in which they appear, and additional items may be included to explain the computations made in determining the amount to be paid by the insured.

(3) A premium finance company may include, in the premium finance agreement, a security interest in the unearned premium due on the insurance policy in the event of a cancellation of the insurance policy. No security interest in loss payments or other insurance policy proceeds shall be permitted except a security interest in loss payments on the insurance policy that reduce or eliminate unearned premium.

Section 6. KRS 304.30-090 is amended to read as follows:

(1) A premium finance company shall not charge, contract for, receive, or collect a service charge other than as permitted by the subtitle.

(2) The service charge is to be computed on the balance of the premiums due (after subtracting the down payment made by the insured in accordance with the premium finance agreement) from the effective date of the insurance coverage, for which the premiums are being advanced, to and including the date when the final installment of the premium finance agreement is payable. ***A premium finance company shall not charge or permit interest to accrue beyond the scheduled final installment date, unless the insured defaults on the premium finance agreement.***

(3) The service charge shall be a maximum of twelve dollars ($12) per one hundred dollars ($100) per year plus an additional charge of fifteen dollars ($15) per premium finance contract which need not be refunded upon cancellation or prepayment.

SECTION 7. A NEW SECTION OF SUBTITLE 30 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

If an insurer receives written notice from an insurance agent or premium finance company, within fifteen (15) business days after receipt of the initial down payment for the coverage being financed, that the initial down payment has been dishonored by a financial institution, there shall be no valid insurance contract or contracts, and the policy shall be voided.

Section 8. KRS 304.30-110 is amended to read as follows:

(1) When a premium finance agreement contains a power of attorney enabling the premium finance company to cancel any insurance contract or contracts listed in the agreement, the insurance contract or contracts shall not be canceled by the premium finance company unless such cancellation is effectuated in ***a timely manner and in*** accordance with this section.

(2) Not less than ten (10) days' written notice shall be mailed to the insured of the intent of the premium finance company to cancel the insurance contract unless the default is cured within such ten (10) day period.

(3) After expiration of such ten (10) day period, the premium finance company may thereafter request in the name of the insured, cancellation of such insurance contract or contracts by mailing to the insurer a notice of cancellation, and the insurance contract shall be canceled as if such notice of cancellation had been submitted by the insured himself, but without requiring the return of the insurance contract or contracts. The premium finance company shall also ***provide written***[~~mail a~~] notice of cancellation to the insured at his last known address.

(4) All statutory, regulatory, and contractual restrictions providing that the insurance contract may not be canceled unless notice is given to a governmental agency, mortgagee, or other third party shall apply where cancellation is effected under the provisions of this section. The insurer shall give the prescribed notice in behalf of itself or the insured to any governmental agency, mortgagee, or other third party on or before the second business day after the day it receives the notice of cancellation from the premium finance company and shall determine the effective date of cancellation taking into consideration the number of days' notice required to complete the cancellation.

(5) Whenever an insurance contract is canceled in accordance with this section, the insurer shall return***, in a timely manner,*** whatever gross unearned premiums are due under the insurance contract to the premium finance company effecting the cancellation for the account of the insured or insureds.

(6) In the event that the crediting of return premiums to the account of the insured results in a surplus over the amount due from the insured, the premium finance company shall refund such excess to the insured provided that no such refund shall be required if it amounts to less than one dollar ($1).

SECTION 9. A NEW SECTION OF SUBTITLE 30 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) An insurance premium finance company shall not sell, assign, or otherwise transfer its license to act as a premium finance company in this state.

(2) An insurance premium finance company shall not sell, assign, or otherwise transfer a premium finance agreement unless the assignee, buyer, or transferee:

(a) Is licensed to engage in the business of financing insurance premiums in this state;

(b) Is exempt from the requirement to obtain a license to engage in the business of financing insurance premiums in this state in accordance with KRS 304.30-010; or

(c) Does not, as a result of the sale, assignment, or transfer, assume the following responsibilities from the insurance premium finance company:

1. Servicing the premium finance agreement in accordance with the provisions of this subtitle; and

2. Collecting all payments due pursuant to the provisions of the premium finance agreement.

Section 10. KRS 304.39-320 is amended to read as follows:

(1) As used in this section, "underinsured motorist" means a party with motor vehicle liability insurance coverage in an amount less than ***the amount the party is legally liable for in***[~~a judgment recovered against that party for~~] damages on account of injury ***or death*** due to a motor vehicle accident.

(2) Every insurer shall make available upon request to its insureds underinsured motorist coverage, whereby subject to the terms and conditions of such coverage not inconsistent with this section the insurance company agrees to pay its own insured for such uncompensated damages as ***its insured may be legally entitled to***[~~he may~~] recover on account of injury due to a motor vehicle accident because ***these damages exceed***[~~ the judgment recovered against the owner of the other vehicle exceeds~~] the liability policy limits ***of the underinsured motorist***[~~thereon,~~] to the extent of the underinsurance policy limits ***of the party legally entitled to recover***[~~on the vehicle of the party recovering~~].

(3) If an injured person or, in the case of death, the personal representative agrees to settle a claim with a liability insurer and its insured, and the settlement would not fully satisfy the claim for personal injuries or wrongful death so as to create an underinsured motorist claim, then written notice of the proposed settlement must be submitted by certified or registered mail to all underinsured motorist insurers that provide coverage. The underinsured motorist insurer then has a period of thirty (30) days to consent to the settlement or retention of subrogation rights. An injured person, or in the case of death, the personal representative, may agree to settle a claim with a liability insurer and its insured for less than the underinsured motorist's full liability policy limits. If an underinsured motorist insurer consents to settlement or fails to respond as required by subsection (4) of this section to the settlement request within the thirty (30) day period, the injured party may proceed to execute a full release in favor of the underinsured motorist's liability insurer and its insured and finalize the proposed settlement without prejudice to any underinsured motorist claim.

(4) If an underinsured motorist insurer chooses to preserve its subrogation rights by refusing to consent to settle, the underinsured motorist insurer must, within thirty (30) days after receipt of the notice of the proposed settlement, pay to the

injured party the amount of the written offer from the underinsured motorist's liability insurer. Thereafter, upon final resolution of the underinsured motorist claim, the underinsured motorist insurer is entitled to seek subrogation against the liability insurer to the extent of its limits of liability insurance, and the underinsured motorist for the amounts paid to the injured party.

(5) The underinsured motorist insurer is entitled to a credit against total damages in the amount of the limits of the underinsured motorist's liability policies in all cases to which this section applies, even if the settlement with the underinsured motorist under subsection (3) of this section or the payment by the underinsured motorist insurer under subsection (4) of this section is for less than the underinsured motorist's full liability policy limits. The term "total damages" as used in this section means the full amount of damages determined to have been sustained by the injured party, regardless of the amount of underinsured motorist coverage. Nothing in this section, including any payment or credit under this subsection, reduces or affects the total amount of underinsured motorist coverage available to the injured party.

Section 11. KRS 304.47-055 is amended to read as follows:

(b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental, and other impairments. At the direction of the board and after a hearing conducted in accordance with KRS Chapter 13B, the mandatory certificate shall be suspended or revoked, or issuance of a mandatory certificate shall be declined when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence irrespective of a subsequent order under the provisions of the penal code allowing a person to withdraw his plea of guilty, and to enter a plea of not guilty or setting aside the verdict of guilty, or dismissing the acquisition, information, or indictment.~~

~~(4) (a) The chair of the board or the chair's designee may determine that immediate temporary suspension of a certificate, against which disciplinary action or an investigation is pending, is necessary to protect the public. WHEREAS, the National Task Force on End-of-Life Care in Managed Care reported that end-of-life care has been an intractable problem across the United States and contributions from many sectors of the American society will be needed to improve access to comprehensive, high-quality care, to strengthen accountability, and to develop payment methods; and

WHEREAS, a group of researchers completed a four-year Study to Understand Prognoses and Preferences for Outcomes and Risks of Treatments (SUPPORT) in five teaching hospitals in the United States to improve end-of-life decision making and reduce the frequency of a mechanically supported, painful, and prolonged process of dying. The researchers found shortcomings in the care for seriously ill hospitalized patients including pain management and physician knowledge of the patient's desires regarding resuscitation; and

WHEREAS, patients die in physical pain and discomfort, despite the technical capability to control most symptoms near the end of life; and

WHEREAS, physicians are often fearful of disciplinary actions for prescribing appropriate medications to promote comfort in patients who are dying; and

WHEREAS, consumers are unaware of their rights to make decisions about end-of-life care; and

WHEREAS, legal matters surrounding advance directives often complicate decision making for patients, families, and health care practitioners; and

HB 254, AN ACT relating to special license plates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 186 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section:

(a) "PTA" means an organized parent-teacher association or a parent-teacher organization that has been formally recognized by a school council in a public school where the PTA is located, or recognized by the principal of the public school if the school does not have a school council; and

(b) "Public education foundation" means a corporation that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and that is incorporated to support public education and PTAs in the county where the foundation is located.

(2) The owner or lessee of a motor vehicle registered under the provisions of KRS 186.050(1) or (3)(a) may apply for a special PTA license plate in the office of the county clerk in the county where the person lives. At the time the owner or lessee applies for a special PTA license plate, the person shall include with the application the initial state fee of fifty dollars ($50). The county clerk shall inform the owner or lessee that the person's application and state fee shall be sent to Frankfort to the Transportation Cabinet where it may be held for a period not to exceed one (1) year while the cabinet is waiting to receive sufficient applications subject to the provisions of subsection (3) of this section.

(3) The Transportation Cabinet shall be required to begin designing and printing special PTA license plates after the cabinet has received nine hundred (900) applications accompanied by a fifty dollar ($50) state fee within a one (1) year

period. The purpose of the fifty dollar ($50) state fee is to offset computer programming costs incurred by the cabinet. Unless the cabinet is requested in writing to the contrary, if the cabinet has not received nine hundred (900) applications within one (1) year from the date the cabinet receives the first application for a special PTA license plate, the cabinet shall refund the fifty dollar ($50) state fee to the appropriate applicants.

(4) Subject to the provisions of subsection (3) of this section, the total initial application fee for the first nine hundred (900) special PTA license plates printed by the Transportation Cabinet shall be sixty-eight dollars ($68). The sixty-eight dollar ($68) fee shall be divided as follows:

(a) The Transportation Cabinet shall receive a fee of fifty dollars ($50) that includes the state fee to reflectorize the license plate under KRS 186.240;

(b) The county clerk shall receive a fee of three dollars ($3); and

(c) The remaining fifteen dollar ($15) fee collected from the applicant shall be remitted to the Transportation Cabinet to be used as provided in subsection (10) of this section.

(5) The initial application fee for each special PTA license plate printed by the Transportation Cabinet in excess of nine hundred (900) shall be thirty dollars ($30). The thirty dollar ($30) fee shall be divided as follows:

(a) The Transportation Cabinet shall receive a fee of twelve dollars ($12) that includes the state fee to reflectorize the license plate under KRS 186.240;

(b) The county clerk shall receive a fee of three dollars ($3); and

(c) The remaining fifteen dollar ($15) fee collected from the applicant shall be remitted to the Transportation Cabinet to be used as provided in subsection (10) of this section.

(6) A special PTA license plate shall annually be issued a renewal registration decal during the owner's or lessee's birth month. The annual renewal fee shall be twenty dollars ($20) and shall be divided as follows:

(a) The Transportation Cabinet shall receive a fee of twelve dollars ($12) that includes the state fee to reflectorize the license plate under KRS 186.240;

(b) The county clerk shall receive a fee of three dollars ($3); and

(c) The remaining five dollar ($5) fee collected from an applicant renewing an annual registration shall be remitted to the Transportation Cabinet to be used as provided in subsection (10) of this section.

(7) Except as provided in this subsection, the special PTA license plate shall be replaced on the same schedule that regular license plates are replaced by the Transportation Cabinet under KRS 186.240. A special PTA license plate shall be replaced free of charge if the metal plate is destroyed in an accident, the plate deteriorates to a point that the lettering, numbering, or images on the face of the plate are not legible, or the plate is stolen, if the owner or lessee has not transferred the vehicle issued the plate during the current licensing period.

(8) A person seeking a special PTA license plate for a vehicle provided as part of the person's occupation shall conform to the requirements of KRS 186.050.

(9) Upon the sale, transfer, or termination of a lease of a vehicle licensed under this section, the owner or lessee shall remove the special PTA license plate and return it and the certificate of registration to the county clerk. The county clerk shall reissue the owner or lessee a regular license plate and certificate of registration upon payment of a twelve dollar ($12) state fee that includes the state fee to reflectorize the license plate under KRS 186.240 and a three dollar ($3) county clerk fee. If the owner or lessee requests, the county clerk shall reissue the special PTA license plate free of charge for use on any other vehicle of the same classification and category owned by the person during the current licensing period. If the owner or lessee has the special PTA license plate reissued to another vehicle, the regular license plate that is being replaced shall be returned to the county clerk who shall forward the plate to Frankfort.

(10) All funds received by the Transportation Cabinet under subsections (4)(c), (5)(c), and (6)(c) of this section shall be deposited into a PTA program fund that is established in the state road fund. Money in the PTA program fund shall be used as provided in this subsection. If at the end of a fiscal year money remains in the PTA program fund, it shall be retained in the fund and used as provided in this subsection and shall not revert to the road fund. All interest and income earned on money in the PTA program fund shall be retained by the Transportation Cabinet to help offset the costs associated with administering this subsection.

(a) At the end of each fiscal year the cabinet shall, after deducting interest and income earned during the year, disburse all funds remaining in the PTA program fund to the public education foundation in the county where the foundation is located. The public education foundation shall be responsible for equally distributing funds under this subsection between all PTAs in the county.

(b) The amount of money each PTA shall receive under this subsection shall be proportionate to the amount of money contributed to the PTA program fund from sales of the special PTA license plates in the county where the PTA is located.

(c) A person wishing to purchase a special PTA license plate who lives in a county that does not have a public education foundation shall be permitted on the application form to designate the specific school and PTA where the proceeds from the person's purchase shall be credited for purposes of distribution under this subsection.

The plate issued under this paragraph shall designate the county where the person's motor vehicle is registered, not the county where the school and PTA designated on the application form is located.

(11) Subject to limitations imposed by the cabinet, special PTA license plates shall be the color and design selected by the public education foundation located in a county containing a city of the first class. The public education foundation may select up to three (3) designs of three (3) colors each. The name "Kentucky" shall appear on the PTA license plate. The cabinet may use any combination of letters or numerals as needed in the design.

(b) The authority shall, by promulgation of administrative regulations, provide for the proportionate reduction of the maximum award amount for an eligible postsecondary student for any academic term in which the student is enrolled on a part-time basis. 3. Any eligible postsecondary student who maintains a cumulative grade point average of less than 2.5 at the completion of any award period shall lose his or her award for the next award period.

4. Each participating institution shall certify to the authority at the close of each award period the cumulative grade point average of each Kentucky educational excellence scholarship recipient enrolled as a full-time or part-time student at the participating institution.

5. Any student who loses eligibility through failure to maintain the required cumulative grade point average may regain eligibility in a subsequent award period upon reestablishing at least a 2.5 cumulative grade point average or its equivalent during a subsequent award period, as certified by the participating institution.

(5) The expiration of a student's five (5) year eligibility shall be extended by the authority upon a determination that the student was unable to enroll for or complete an academic term due to any of the following circumstances:

The expiration of an eligible postsecondary student's five (5) year eligibility shall be extended to six (6) years for eligible postsecondary students meeting the requirements of this subsection.

Section 14. Whereas the terrorist attacks of September 11, 2001, unveiled a war being waged on America and all Americans, both at home and abroad, by a wide spectrum of terrorists. And whereas United States Government officials have credible information that these cowardly terrorists are attempting to surreptitiously obtain commercial drivers licenses in order to commit criminal acts against the nation's infrastructure by using commercial motor vehicles as weapons of mass destruction. And whereas because the identities of these and future terrorists remain unknown, it is crucial for the Commonwealth to act as quickly as possible to protect its citizens, and by doing so protect all fellow Americans, through the strengthening of state laws governing operators of commercial motor vehicles, an emergency is declared to exist, and Sections 1 to 10 and Section 12 of this Act take effect upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Section 18. Whereas the terrorist attacks of September 11, 2001, unveiled a war being waged on America and all Americans, both at home and abroad, by a wide spectrum of terrorists. And whereas United States Government officials have credible information that these cowardly terrorists are attempting to surreptitiously obtain commercial drivers licenses in order to commit criminal acts against the nation's infrastructure by using commercial motor vehicles as weapons of mass destruction. And whereas because the identities of these and future terrorists remain unknown, it is crucial for the Commonwealth to act as quickly as possible to protect its citizens, and by doing so protect all fellow Americans, through the strengthening of state laws governing the training and licensing of operators of commercial driver training schools and of commercial motor vehicles, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Section 18. Whereas the terrorist attacks of September 11, 2001, unveiled a war being waged on America and all Americans, both at home and abroad, by a wide spectrum of terrorists. And whereas United States Government officials have credible information that these cowardly terrorists are attempting to surreptitiously obtain commercial drivers licenses in order to commit criminal acts against the nation's infrastructure by using commercial motor vehicles as weapons of mass destruction. And whereas because the identities of these and future terrorists remain unknown, it is crucial for the Commonwealth to act as quickly as possible to protect its citizens, and by doing so protect all fellow Americans, through the strengthening of state laws governing the training and licensing of operators of commercial driver training schools and of commercial motor vehicles, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor, or upon its otherwise becoming a law.

HB 231, AN ACT relating to military burial honors and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) The Commonwealth of Kentucky recognizes the vast majority of honorable burials for Kentuckians who have served their state and nation in the Armed Forces are conducted by the veterans' service organizations. The active military units in Kentucky, the Kentucky National Guard, and the military reserves are providing burial honors details as available manpower permits. Year 2000 data from the Department of Defense shows over 497,000 veterans died, but only 91,074 military funeral honors were performed. Although the veterans' service organizations provide untold thousands of unofficial services, many Kentucky veterans are still being buried without honors, including firing details, color guard, and pallbearers.

(2) To correct this situation, the Department of Veterans' Affairs shall oversee a Veterans' Service Organization Burial Honor Guard Program.

(3) The Department of Veterans' Affairs shall implement and administer the provisions of this section through the promulgation of administrative regulations. These regulations shall be in accordance with the provisions of KRS Chapter 13A.

SECTION 2. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) There is established and created in the State Treasury a fund entitled the "veterans' service organization burial honor guard trust fund" to provide funds to offset the costs of the Veterans' Service Organization Burial Honor Guard Program. The fund may receive state appropriations, gifts, grants, federal funds, and any other funds both public and private. Moneys deposited in the fund shall be disbursed by the State Treasurer upon the warrant of the commissioner of the Department of Veterans' Affairs or his or her representative. Any unallocated or unencumbered balances in the fund shall be invested as provided in KRS 42.500(9), and any income earned from the investments along with the unallotted or unencumbered balances in the fund shall not lapse and shall be deemed a trust and agency account and made available solely for the purposes and benefits of the Veterans' Service Organization Burial Honor Guard Program.

(2) The fund shall be used to support the costs which veterans' service organizations incur in providing and supporting a well-equipped, properly trained, and certified burial honor guard.

SECTION 3. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) The Department of Veterans' Affairs shall promulgate administrative regulations to implement the Veterans' Service Organization Burial Honor Guard Program.

(2) The Department of Veterans' Affairs shall coordinate with the veterans' service organizations to determine the eligibility of the organization under administrative regulations to be promulgated by the Department of Veterans' Affairs.

(3) The Department of Veterans' Affairs shall coordinate the Veterans' Service Organization Burial Honor Guard Program with veterans' service organizations, Kentucky veterans and their dependents, the Kentucky Funeral Directors' Association, the Department of Military Affairs, the United States Army Reserve, and the Casualty Assistance Commands of Fort Campbell and Fort Knox.

SECTION 4. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) Recognizing the participation of secondary school students in the Veterans' Service Organization Burial Honor Guard Program, excused absences may be granted by local school boards to students of secondary school JROTC programs or other students who participate in the Veterans' Service Organization Burial Honor Guard Program. This includes time spent training, traveling, and participating in the Veterans' Service Organization Burial Honor Guard Program.

(2) Local school boards may also adopt a policy to allow students to participate in the Veterans' Service Organization Burial Honor Guard Program as a part of the instructional program.

SECTION 5. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

(1) An excused absence may be granted, subject to approval by the local school board, to all students of Kentucky secondary schools who participate in the Veterans' Service Organization Burial Honor Guard Program. Most likely these would be students already participating in JROTC, drum corps, or other military programs; however, the Veterans' Service Organization Burial Honor Guard Program is not limited to these students. This excused absence should include time spent training, traveling, and participating in the Veterans' Service Organization Burial Honor Guard Program.

(2) The local school board may also adopt a policy to allow students to participate in the Veterans' Service Organization Burial Honor Guard Program as a part of the instructional program.

(3) This policy of either excused absences or including Veterans' Service Organization Burial Honor Guard Program participation as a part of the instructional program shall not in any way penalize the local school district.

Section 6. Whereas the Commonwealth's next fiscal year begins on July 1 and the General Assembly finds that it is critical that the provisions of this Act take effect at the beginning of the fiscal year, an emergency is declared to exist and this Act takes effect July 1, 2002.
